

FirstHome

Affordable financing for first-time homebuyers.

FirstHome is MFA's first mortgage loan program that is available to first-time New Mexico homebuyers who have low-and-moderate incomes. **FirstHome can be used in conjunction with most of MFA's down payment assistance programs, including the FirstDown second mortgage.**

First-time homebuyers are buyers who have not owned and occupied a home as their primary residence in the past three years. After purchasing a home using the FirstHome program, buyers must occupy the property as their primary residence within 60 days of closing.

Homebuyer income limits and purchase price limits for the FirstHome program will vary according to county and the number of persons in the household. To view current income eligibility guidelines, scan the QR code below or go to: housingnm.org/homebuyers

The FirstHome program can only be used to finance single-family residences. Properties cannot be used for income generation. Business use restrictions also apply.

Although a minimum credit score of 620 is required, alternative credit qualification for homebuyers with no credit score is acceptable in certain cases. All homebuyers must receive pre-purchase homebuyer counseling through MFA's online program, eHome America, or through a HUD-approved counseling agency.

FirstHome is only available through a network of MFA-approved participating lenders. A list of participating lenders is published on the MFA website: housingnm.org.
