

HomeForward (DPA) Second Mortgage Loan

HomeForward Down Payment Assistance (DPA) is a fixed-rate second mortgage loan with a 10 or 15-year term that provides funds up to 3% of the sales price that can be used toward the borrowers down payment. HomeForward must be combined with the HomeForward First Mortgage program.

HomeForward (DPA) has the same credit score, property and homebuyer counseling requirements as HomeForward. A list of those requirements is located on the HomeForward fact sheet.

HomeForward is only available through a network of Housing New Mexico-approved participating lenders. A list of participating lenders is published on the Housing New Mexico website: www.housingnm.org/programs/homebuyers
