### HomeNow Replacement Loan Program

Program Requirements Effective with Home*Now* Lock Commitments dated February 18, 2025

Program Requirements Subject to change from time to time, based on Program funding source. Always refer to current program requirements Available on Housing New Mexico | MFA's website.

Parameters	Program Requirements
Program Availability	<ul> <li>Reservations begin on February 18, 2025, for this round of replacement funding.</li> </ul>
	• Funds available from paid off loans are limited as these are replacement loans.
	• Lender submits lock request in PowerLender, as they would normally with First <i>Down</i> selected as the DPA option. This guarantees the first mortgage rate is locked.
	Housing New Mexico   MFA (HNM) staff determine if there is a suitable replacement available. HNM will take one full business day to review and respond to the lenders request. Please plan accordingly for the extra time. See Lender Workflow at end of document
	• HNM staff will process a DPA program change if a suitable replacement is available. HNM will push the updated lock commitments to the portal. (No program change request from lender is required)
	<ul> <li>All areas of the state, including Federally Designated Tribal Land, are eligible.</li> </ul>
	Disclaimer: Not all requests will be confirmed as there may not be funds available from a replacement.
Program Funding	Home <i>Now</i> is only available through an approved Participating Lender.
	<ul> <li>Program funds are limited as these funds are replacement loans and are reserved on a first come, first served basis depending on availability.</li> </ul>
	<ul> <li>HomeNow loans must be purchased within 90 days of the reservation/lock date or funds may revert to the fund allocation.</li> </ul>
	<ul> <li>Exception: new construction loans must be purchased within 120 days or funds may revert to the fund allocation.</li> </ul>
	<ul> <li>Program funds cannot be transferred and remain subject to HNM's Rate Lock Protocol.</li> </ul>
	<ul> <li>Funds cannot be transferred between different borrowers.</li> </ul>
	<ul> <li>Funds cannot be transferred between different properties.</li> </ul>
	<ul> <li>Changes to the rate lock may result in funds reverting to the program allocation.</li> </ul>
