Single Family Mortgage Program Class I Bonds
2024 Series G (Tax-Exempt) (Non-AMT)

INTRODUCTION

General

This Official Statement (which includes the cover page and appendices hereto) provides certain information in connection with the issuance and sale by the New Mexico Mortgage Finance Authority dba Housing New Mexico (“**Housing New Mexico**”) of its Single Family Mortgage Program Class I Bonds, 2024 Series G (Tax-Exempt) (Non-AMT) in the aggregate principal amount of \$70,000,000 (the “**Offered Bonds**”). The Offered Bonds will be issued as Class I Bonds pursuant to the Mortgage Finance Authority Act, consisting of Sections 58-18-1 through 58-18-27, inclusive, and Section 2-12-5, New Mexico Statutes Annotated 1978, as amended (collectively, the “**Act**”), a General Indenture of Trust dated as of November 1, 2005, as heretofore amended and supplemented (the “**General Indenture**”), between Housing New Mexico and Zions Bancorporation, National Association, as Trustee (the “**Trustee**”) and a 2024 Series G Indenture dated as of December 1, 2024 between the Trustee and Housing New Mexico (the “**2024 Series G Indenture**”). The General Indenture, the 2024 Series G Indenture, and all supplemental indentures, including supplemental indentures providing for the issuance or remarketing of any Bonds, are referred to herein collectively as the “**Indenture**”. All capitalized terms used in this Official Statement that are defined in the Indenture shall have the respective meanings set forth in the Indenture. See “APPENDIX A – SUMMARY OF CERTAIN PROVISIONS OF THE GENERAL INDENTURE – Definitions” attached hereto.

Under the General Indenture, Housing New Mexico may issue additional Series of Bonds (“**Additional Bonds**”) and other obligations (“**Auxiliary Obligations**”) related to Bonds (defined below) upon satisfaction of the conditions set forth in the General Indenture. The General Indenture provides that the Offered Bonds, all bonds previously issued under the General Indenture (the “**Outstanding Bonds**”) any Additional Bonds (together with the Offered Bonds and the Outstanding Bonds, the “**Bonds**”) and any Auxiliary Obligations shall be designated a priority class, with Class I being the highest priority and the priority order decreasing as the Roman numerals increase. Bonds and Auxiliary Obligations of each Class issued under the General Indenture are equally and ratably secured by the pledges and covenants contained therein with other Bonds and Auxiliary Obligations of the same Class. The Offered Bonds and all Outstanding Bonds are Class I Bonds under the General Indenture.

The Offered Bonds are being issued to finance certain qualifying Mortgage Loans (such loans referred to collectively herein as the “**2024 Series G First Home Loans**”), which include portions of certain qualifying Mortgage Loans (the “**2024 Series G Participation Loans**”) funded with Participation Funds, as defined herein. The 2024 Series G First Home Loans are secured by mortgages made to qualified individuals for single family residences located within the State of New Mexico (the “**State**”) through the purchase by the Trustee on behalf of Housing New Mexico of: (i) mortgage loan pass-through certificates (the “**GNMA Certificates**”) guaranteed as to timely payment of principal and interest by the Government National Mortgage Association (“**GNMA**”), (ii) mortgage loan pass-through certificates (the “**Fannie Mae Certificates**”) issued and guaranteed as to timely payment of principal and interest by the

Federal National Mortgage Association (“**Fannie Mae**”) and/or (iii) mortgage loan pass-through certificates (the “**Freddie Mac Certificates**”, and together with the GNMA Certificates and the Fannie Mae Certificates, the “**Mortgage Certificates**”) issued and guaranteed as to timely payment of principal and interest by the Federal Home Loan Mortgage Corporation (“**Freddie Mac**”), all in accordance with Housing New Mexico’s First Home loan mortgage program (the “**First Home Program**” and sometimes referred to herein as the “**Single Family Mortgage Program**”). See “APPENDIX C - THE GNMA MORTGAGE-BACKED SECURITIES PROGRAM”, “APPENDIX D - THE FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM” and “APPENDIX E - THE FREDDIE MAC MORTGAGE-BACKED SECURITIES PROGRAM”, each attached hereto, for additional information concerning GNMA, Fannie Mae and Freddie Mac, respectively. See also “FIRST HOME PROGRAM” herein. The Mortgage Certificates related to the 2024 Series G First Home Loans (the “**2024 Series G Certificates**”, which include the hereinafter-described 2024 Series G Participation Certificates) are pledged under the Indenture to the payment of the principal of and the interest on the Bonds. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” herein.

To facilitate the operation of the First Home Program, Housing New Mexico maintains a “pipeline” of Mortgage Loans and Mortgage Certificates to be financed with Bond proceeds and other available funds. From time to time, Housing New Mexico’s pipeline is financed using certain of its general operating funds and other legally available moneys to purchase Mortgage Certificates in anticipation of the issuance of bonds. As of November 1, 2024, Housing New Mexico had \$101,845,752 of Mortgage Loans in the pipeline (including reserved Mortgage Loans, a portion of which are expected not to close for various reasons), of which \$9,802,336 are Mortgage Loans expected to be financed with the proceeds of the Offered Bonds. In addition, as of November 1, 2024, Housing New Mexico held \$-0- of Mortgage Certificates that are backed or represented by Mortgage Loans, which will be available to be purchased with proceeds of the Offered Bonds. See “ASSUMPTIONS REGARDING REVENUES, DEBT SERVICE REQUIREMENTS, OPERATING EXPENSES AND CERTAIN OTHER MATTERS” and “FIRST HOME PROGRAM” herein.

The 2024 Series G First Home Loans are originated by mortgage lenders (the “**Mortgage Lenders**”) pursuant to individual Amended and Restated Mortgage Purchase Master Agreements (each, a “**Master Purchase Agreement**”), between each Mortgage Lender and Housing New Mexico, and are serviced pursuant to the Mortgage Loan Sub-Servicing and Single Family Program Support Services Agreement, dated as of June 1, 2016 (as amended, the “**Servicing Agreement**”), each between Housing New Mexico and Idaho Housing and Finance Association, an independent public body corporate and politic of the State of Idaho (“**Idaho Housing**”). Pursuant to the Servicing Agreement, Idaho Housing acts as sub-servicer for the 2024 Series G First Home Loans. Housing New Mexico purchases, or causes to be purchased on its behalf, 2024 Series G First Home Loans, and Housing New Mexico then issues or purchases, as applicable, 2024 Series G Certificates backed by such 2024 Series G First Home Loans. Ultimately, the Trustee purchases the 2024 Series G Certificates from Housing New Mexico with the proceeds of the Offered Bonds.

Housing New Mexico may deposit or allocate a portion of the proceeds from the issuance of one or more Series of Bonds (including the Offered Bonds) or proceeds of bonds of Housing New Mexico issued under a separate indenture (each, an “**Other Indenture**”) into a participation loan subaccount under the Indenture or under an Other Indenture (such proceeds, the “**Participation Funds**”). Participation Funds may be used from time to time to finance the purchase of Mortgage Certificates under the Indenture or Other Indentures. Housing New Mexico expects to use Participation Funds, together with proceeds of the Offered Bonds, to purchase certain Mortgage Certificates. The portion of such Mortgage Certificates which is backed by 2024 Series G Participation Loans is referred to as the “**2024 Series G Participation Certificates**”. Both principal payments and prepayments of Mortgage Certificates purchased with proceeds of the Offered Bonds and the Participation Funds will be allocated

pro rata (at such percentages to be determined by Housing New Mexico) between the 2024 Series G Subaccount of the Revenue Account and the revenue subaccount related to the bonds that generated the Participation Funds. Interest payments on Mortgage Certificates purchased with proceeds of the Offered Bonds and the Participation Funds will be allocated entirely to the Offered Bonds to reduce the effective interest rate on the Mortgage Loans made under the bond issue providing the Participation Funds. See “ASSUMPTIONS REGARDING REVENUES, DEBT SERVICE REQUIREMENTS, OPERATING EXPENSES AND CERTAIN OTHER MATTERS” herein.

The 2024 Series G First Home Loans (i) bear interest at the interest rates or expected interest rates as further described under the heading “ASSUMPTIONS REGARDING REVENUES, DEBT SERVICE REQUIREMENTS, OPERATING EXPENSES AND CERTAIN OTHER MATTERS” herein and (ii) are purchased, or caused to be purchased, by Housing New Mexico at the purchase price specified under the heading “FIRST HOME PROGRAM– Mortgage Discount and Purchase Price” herein.

The 2024 Series G First Home Loans are required to meet the First Home Program requirements, including the requirements of federal tax law applicable to the Offered Bonds, and to be (i) insured by the Federal Housing Administration (“FHA”) pursuant to the National Housing Act, as amended, or by the United States Department of Housing and Urban Development (“HUD”) pursuant to Section 184 of the Housing and Community Development Act of 1992, (ii) guaranteed by the Department of Veterans Affairs (“VA”) pursuant to the Servicemen’s Readjustment Act of 1944, as amended, (iii) guaranteed by the Rural Housing Services (the “RHS”) under Title V of the Housing Act of 1949, as amended, or (iv) conventional Mortgage Loans meeting the underwriting criteria of Fannie Mae or Freddie Mac, as applicable.

Miscellaneous

The Bonds, including the Offered Bonds, are special obligations of Housing New Mexico, payable solely from and secured solely by the pledge pursuant to the Indenture of the revenues and assets derived from the proceeds of the Bonds, the Mortgage Certificates, including the 2024 Series G Certificates and the money and securities held in the funds and accounts created by the Indenture, other than the Rebate Account and amounts deposited therein. In no event shall the Offered Bonds constitute an obligation or liability (either general or special) of the State or any political subdivision thereof or constitute or give rise to a pecuniary liability of the State or any political subdivision thereof. Housing New Mexico has no taxing power and has no power to pledge the general credit or taxing power of the State or any political subdivision thereof.

The Offered Bonds are not a debt of the United States of America or any agency thereof, including GNMA, or of Fannie Mae or Freddie Mac, and are not guaranteed by the full faith and credit of the United States of America, including GNMA, or of Fannie Mae or Freddie Mac. The obligations of Fannie Mae and Freddie Mac are not backed by the full faith and credit of the United States of America.

The Offered Bonds are subject to optional redemption, special redemption, and sinking fund redemption as described herein. Under certain circumstances described herein, Offered Bonds purchased at a premium are subject to redemption at par. See “DESCRIPTION OF THE OFFERED BONDS – Redemption Provisions” herein.

The references to and summaries and descriptions of the Act, the Indenture, the Offered Bonds, the First Home Program, and the other statutes, instruments and documents which are included in this Official Statement do not purport to be comprehensive or definitive, and such references, summaries and descriptions are qualified in their entireties by references to the appropriate statute, policy, instrument or document.

In addition to the Single Family Mortgage Program, Housing New Mexico is authorized under the Act to engage in certain other activities. The proceeds of the Offered Bonds may not be used to finance any activities of Housing New Mexico other than the Single Family Mortgage Program.

For a description of certain investment considerations, including certain actions that may be taken pursuant to the General Indenture, see “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” herein.

HOUSING NEW MEXICO

Housing New Mexico was created by the Act, which was passed by the Legislature of the State (the “**Legislature**”) in 1975. In the Act, the Legislature found that a serious shortage of decent, safe and sanitary residential housing available to purchase and rent within the financial means of persons and families of low and moderate income existed in both urban and rural areas of the State and that private enterprise had not been able to produce the needed construction or rehabilitation of such housing. Housing New Mexico was created in an effort to remedy this shortage.

Housing New Mexico is empowered to undertake various programs to assist in the financing of housing for persons of low and moderate income in the State. The Act provides that Housing New Mexico is a public body politic and corporate separate and apart from the State constituting a governmental instrumentality. The Act requires Housing New Mexico to adopt rules and regulations governing each of the programs set forth in the Act. The rules and regulations of Housing New Mexico are not effective until they have been approved by a legislative oversight committee, composed of members of the State House of Representatives and the State Senate. The legislative oversight committee has approved rules and regulations of Housing New Mexico for the Single Family Mortgage Program and related activities. In addition, the Low Income Housing Tax Credit program and the HOME program, previously administered by the State, were transferred to Housing New Mexico for the purpose of consolidating in one entity the administration of housing-related programs.

The Act prohibits the State or any municipality located in the State from contributing money to Housing New Mexico. Pursuant to the Act, the State and all State agencies are prohibited from purchasing any bonds or notes of Housing New Mexico.

The Act provides that Housing New Mexico shall be composed of seven members including the Lieutenant Governor of the State, the Treasurer of the State and the Attorney General of the State, each of whom shall be an ex-officio member of Housing New Mexico with voting privileges, and four other members to be appointed by the Governor with the advice and consent of the State Senate. The Governor is authorized to designate a member to serve as chair, and Housing New Mexico annually elects a member to serve as vice chair. The Act further provides that Housing New Mexico shall elect or appoint, and prescribe the duties of, an executive director who shall administer, manage and direct the affairs and business of Housing New Mexico subject to the direction of the board members of Housing New Mexico.

[Remainder of Page Intentionally Left Blank]

Interest

The Trustee shall pay interest semiannually on March 1 and September 1 of each year (each an “**Interest Payment Date**”), commencing March 1, 2025, until maturity or earlier redemption. Interest on the Offered Bonds will be computed on the basis of a 360-day year of twelve 30-day months and will be payable to the Owners of record in the bond registration books maintained by the Trustee as of the 15th day of the month preceding the regularly scheduled Interest Payment Date, whether or not a business day (the “**Record Date**”). If a payment of interest, principal or the redemption price of Offered Bonds is to be made on a day that is not a Business Day, it will be made on the next succeeding Business Day with the same force and effect as if made on the date of payment, and no interest shall accrue thereon for the period after such date.

Redemption Provisions

Optional Redemption. The Offered Bonds maturing on or after March 1, 2034 (other than the Offered Bonds maturing on September 1, 2055 (the “**Premium PAC Bonds**”)) are subject to redemption at the option of Housing New Mexico on any date on or after September 1, 2033 either in whole or in part, at a Redemption Price equal to 100% of their principal amount plus accrued interest to the date of redemption.

The Premium PAC Bonds are subject to redemption either in whole or in part at the option of Housing New Mexico on any date on or after the dates and at the prices set forth below:

<u>Redemption Date</u>	<u>Premium PAC Bonds Redemption Price</u>
September 1, 2033	101.735%
March 1, 2034	101.388
September 1, 2034	101.036
March 1, 2035	100.651
September 1, 2035	100.147
December 1, 2035 and thereafter	100.000

† Any Premium PAC Bonds optionally redeemed on a date other than a redemption date listed above will be redeemed at a price calculated by Housing New Mexico using straight-line interpolation between the redemption prices for the redemption dates listed above immediately preceding and succeeding such redemption date.

In the event of a partial optional redemption of any Offered Bonds, Housing New Mexico shall direct the maturity or maturities, and the amounts thereof, to be redeemed.

Special Redemption from Unexpended Proceeds. The Offered Bonds are subject to special redemption at any time prior to their stated maturities as a whole or in part at a Redemption Price equal to 100% of their principal amount plus accrued interest thereon to the date of redemption, without premium (except the Premium PAC Bonds which are to be redeemed at the respective prices set forth on the inside front cover page hereto), from amounts deposited in the 2024 Series G Subaccount of the Redemption Fund in an amount equal to the proceeds of the Offered Bonds deposited in the 2024 Series G Subaccount of the Acquisition Account that Housing New Mexico certifies will not be used to purchase 2024 Series G Certificates or, if not previously used or transferred to the 2024 Series G Subaccount of the Redemption Fund, which remain on deposit in such account after May 31, 2025 (for redemption on July 1, 2025),

unless Housing New Mexico extends and continues to extend any such date as provided in the Indenture, but in no event shall such redemption date be extended later than June 19, 2028, and which amounts are not required to be credited to the Rebate Account; provided, however that Housing New Mexico may direct that such unexpended Offered Bonds proceeds in amounts less than \$250,000 be transferred to the 2024 Series G Subaccount of the Revenue Account. Unexpended proceeds of the Offered Bonds deposited in the 2024 Series G Subaccount of the Redemption Fund shall be applied by the Trustee to redeem the Offered Bonds on a pro rata by maturity basis. Since it began purchasing Mortgage Certificates in 1994, Housing New Mexico has not redeemed any Bonds from unexpended proceeds.

Special Redemption from Revenues (Including Prepayments). The Offered Bonds are subject to special redemption at any time on and after September 1, 2025, prior to their stated maturities, as a whole or in part, at a Redemption Price equal to 100% of their principal amount plus accrued interest thereon to the date of redemption, without premium, in an amount equal to moneys (in excess of \$10,000) in the 2024 Series G Subaccount of the Revenue Account on each March 1, June 1, September 1, and December 1, and determined by Housing New Mexico as not needed to make (or reserve for) Debt Service Payments on the Offered Bonds, to pay Program Expenses or to be paid to Housing New Mexico (upon receipt of an Authority Request and pursuant to a Cash Flow Statement) or, under the circumstances provided in the Indenture, to pay debt service on or replenish the reserve fund for other Series of Bonds or Auxiliary Obligations. Moneys in the 2024 Series G Subaccount of the Revenue Account and deposited in the 2024 Series G Subaccount of the Redemption Fund shall be applied by the Trustee to redeem Offered Bonds on a quarterly basis, in the following order of priority:

(i) *first*, the Premium PAC Bonds on a pro rata by maturity basis in an amount up to that set forth in the Planned Amortization Schedule for the Premium PAC Bonds for each applicable redemption period, less the aggregate principal amount of the Premium PAC Bonds previously retired at maturity or by redemption or which are scheduled to be retired at maturity or by redemption on or prior to the applicable redemption period (other than redemptions described above under “*Special Redemption from Unexpended Proceeds*”);

(ii) *second*, then all Offered Bonds (other than the Premium PAC Bonds) on a pro rata by maturity basis until the outstanding principal amount of all the Offered Bonds (including the Premium PAC Bonds) has been reduced to an amount not less than the amount set forth for each applicable redemption period in the table below entitled “400% PSA Outstanding Balance of the Offered Bonds”; and

(iii) *third*, then all Offered Bonds, including the Premium PAC Bonds, on a pro rata by maturity basis.

¹ The amounts in this column assume that the Premium PAC Bonds are not redeemed in excess of the applicable cumulative amounts set forth in the Planned Amortization Schedule.

The amounts set forth in the table above are subject to reduction if the Offered Bonds are redeemed as described above under “*Special Redemption from Unexpended Proceeds*”. In such event, the principal amounts in the Planned Amortization Schedule will be reduced by multiplying each of the amounts in such schedule by a fraction (x) the numerator of which is the principal amount of the Premium PAC Bonds remaining outstanding after such special redemption of the Offered Bonds from unexpended proceeds and (y) the denominator of which is the original principal amount of the Premium PAC Bonds, rounded to the nearest \$5,000 denomination.

Upon any purchase or redemption of Offered Bonds, other than by application of Sinking Fund Installments, an amount equal to the applicable principal amount thereof will be credited towards each Sinking Fund Installment for such Offered Bonds on a proportionate basis in amounts bearing the same ratio as the total principal amount of such Offered Bonds so purchased or redeemed bears to the total amount of all Sinking Fund Installments to be credited; provided that with respect to any such purchase or redemption of Offered Term Bonds if there shall be filed with the Trustee a Cash Flow Statement and written instructions specifying a different method for crediting Sinking Fund Installments then the principal amounts are to be credited as provided in such instructions.

Cross Calling Under the General Indenture. Although the General Indenture permits the special redemption of Bonds of a Series from Revenues attributable to other Series of Bonds, Housing New Mexico covenants in the 2024 Series G Indenture that, until all Premium PAC Bonds have been retired, Housing New Mexico will not use Revenues attributable to any Outstanding Bonds or Additional Bonds (other than the Offered Bonds) for special redemption of the Offered Bonds, nor will Housing New Mexico use Revenues attributable to the Offered Bonds for special redemption of any other Series of Bonds. So long as any Premium PAC Bonds are outstanding, Housing New Mexico may use amounts in the Surplus Fund established pursuant to the General Indenture for special redemption of Premium PAC Bonds, but solely to the extent the Revenues on deposit in the 2024 Series G Subaccount of the Revenue Account are insufficient to redeem the Premium PAC Bonds in accordance with the applicable Planned Amortization Schedule (See “DESCRIPTION OF THE OFFERED BONDS – Redemption Provisions – *Special Redemption from Revenues (Including Prepayments)*” herein); provided, however, that Housing New Mexico shall not be required to use amounts in the Surplus Fund for such a purpose.

Other Provisions Concerning Redemption. Notice of redemption is to be given not less than thirty (30) days or such shorter period as may be acceptable to the then registered owner of the Offered Bonds nor more than sixty (60) days prior to the redemption date by first class mail to the registered owner of any Offered Bonds or portions of Offered Bonds to be redeemed at their last addresses appearing on the registration records of the Trustee. Any notice mailed shall be conclusively presumed to have been duly given, whether or not the registered owners of such Offered Bonds shall have actually received such notice. Receipt of such notice by the registered owner of any Bond shall not be a condition precedent to the redemption of such Bond. Failure to give notice of redemption to any registered owner or any defect therein shall not affect the validity of redemption proceedings for any Bond with respect to which no such failure or defect has occurred. The obligation of the Trustee to give any notice shall not be conditioned upon the prior payment to the Trustee of moneys or Defeasance Obligations sufficient to pay the Redemption Price of the Offered Bonds or portions thereof to which such notice relates or the interest thereon to the redemption date.

If DTC or its nominee is the registered owner of any Bond to be redeemed, notice of redemption will be given to DTC or its nominee as the registered owner of such Bond. Any failure on the part of DTC or failure on the part of a nominee of a Beneficial Owner (having received notice from a Direct Participant or otherwise) to notify the Beneficial Owner of any Bond to be redeemed shall not affect the validity of the redemption of such Bond. See “APPENDIX F – BOOK-ENTRY SYSTEM” attached hereto.

[Remainder of Page Intentionally Left Blank]

If less than all the Offered Bonds of like maturity are to be redeemed, the particular Offered Bonds or the respective portions thereof to be redeemed will be selected by lot by the Trustee in such manner as the Trustee in its discretion deems fair and appropriate. If the Offered Bonds are being held by DTC under the book-entry system and less than all of such Offered Bonds within a maturity are being redeemed, DTC's current practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be called for redemption, and each Direct Participant is to then select by lot the ownership interest in such maturity to be redeemed. See "APPENDIX F – BOOK-ENTRY SYSTEM" attached hereto for a general description of the DTC book-entry-only system.

The portion of any Bond of a denomination larger than the minimum denomination of \$5,000 principal amount may be redeemed in the principal amount of such minimum denomination or a multiple thereof, and for purposes of selection and redemption, any such Bond of a denomination larger than the minimum denomination shall be considered to be that number of separate Offered Bonds of such minimum denomination which is obtained by dividing the principal amount of such Bond by such minimum denomination. If there shall be selected for redemption less than all of an Offered Bond, Housing New Mexico shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Offered Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Offered Bond so surrendered, Offered Bonds of like maturity in any of the authorized denominations.

If, on the redemption date, moneys for the redemption of Offered Bonds or portions thereof, together with interest to the redemption date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date interest on the Offered Bonds or portions thereof so called for redemption shall cease to accrue and become payable.

If at the time of mailing of any notice of redemption there shall not be on deposit with the Trustee moneys sufficient to redeem all the Offered Bonds called for redemption, such notice shall state that such redemption is subject to the deposit of the redemption moneys with the Trustee not later than the redemption date and that such notice shall be of no effect unless such moneys are so deposited.

Subject to the terms and conditions set forth in the Indenture and prior to the mailing by the Trustee of a notice of redemption with respect to Offered Bonds of any particular maturity, Housing New Mexico may direct the Trustee to purchase such Offered Bonds with available moneys under the Indenture for cancellation in lieu of redemption. The Trustee and the Paying Agent shall apply available moneys in accordance with the Indenture from the Funds and Accounts specified in the Indenture to purchase such Offered Bonds. As of the date of this Official Statement, Housing New Mexico has not purchased bonds under the purchase in lieu of redemption option under the Indenture.

Estimated Weighted Average Lives of the Offered Term Bonds

The weighted average life of a security refers to the average of the length of time that will elapse from the delivery date of such security to the date each installment of principal is paid to the investor, weighted by the amount of such installment. The weighted average lives of the Offered Term Bonds, including the Premium PAC Bonds will be influenced by, among other factors, the rate at which principal payments (including scheduled payments and principal prepayments) are made on the 2024 Series G First Home Loans.

Payments of Mortgage Loans are commonly projected in accordance with a prepayment standard or model. The model used in the following discussion is The Standard Prepayment Model of The Securities Industry and Financial Markets Association, formerly the Bond Market Association, and prior

thereto the Public Securities Association (the “**PSA Prepayment Benchmark**”). The PSA Prepayment Benchmark is based on an assumed rate of prepayment each month of the then unpaid principal balance of the Mortgage Loans. The PSA Prepayment Benchmark assumes that, on an annualized basis, 0.2% of the mortgage portfolio prepays in the first month, and in each successive month the percentage of mortgages which prepay increases, on an annualized basis, by 0.2% per month until, after the thirtieth month of the mortgage portfolio’s life, the prepayments are equal to a constant prepayment rate of 6% per annum of the unpaid principal balance for the remaining life of the Mortgage Loans. Multiples of the PSA Prepayment Benchmark will be calculated from this prepayment rate standard, e.g. “200% PSA” assumes prepayment rates will be 0.4% per year in month one, 0.8% per year in month two, reaching 12% per year in month thirty and remaining constant at 12% per year thereafter. “0% PSA” assumes no prepayments of principal of a pool of Mortgage Loans will occur for the life of the pool of Mortgage Loans.

The PSA Prepayment Benchmark does not purport to be a prediction of the anticipated rate of Prepayments of the 2024 Series G First Home Loans and there is no assurance that such Prepayments will conform to any of the assumed prepayment rates. See “ASSUMPTIONS REGARDING REVENUES, DEBT SERVICE REQUIREMENTS, OPERATING EXPENSES AND CERTAIN OTHER MATTERS” herein for a discussion of certain factors that may affect the rate of prepayment of the 2024 Series G First Home Loans. *Housing New Mexico makes no representation as to the percentage of the principal balance of the 2024 Series G First Home Loans that will be paid as of any date, or as to the overall rate of prepayment or the assumptions, projections or methodology set forth under this caption.*

The following table was prepared by CSG Advisors, as financial advisor to Housing New Mexico (the “**Financial Advisor**”), and sets forth the projected weighted average lives of the Offered Term Bonds. The weighted average life of a bond is determined by (i) multiplying the amount of each principal payment by the number of years from the delivery date of the bond to the related principal payment date, (ii) adding the results, and (iii) dividing the sum by the total principal paid on the bond. The table is based on the assumptions described below and assumes, among other assumptions, that:

- (i) a portion of the proceeds of the Offered Bonds will be used to acquire 2024 Series G First Home Loans (excluding the 2024 Series G Participation Loans) bearing interest at a weighted average rate of 5.817%;
- (ii) approximately \$10,000,000 of net Participation Funds generated from a prior Series of Bonds, together with certain proceeds of the Offered Bonds, will be used to purchase Mortgage Certificates, all of the interest on which will be allocated solely to the Offered Bonds;
- (iii) Participation Funds generated from the Offered Bonds, together with proceeds from a future series of Bonds (or other bonds), will be used to purchase Mortgage Certificates, the interest on which will be allocated in a manner to maintain compliance with Federal tax law;
- (iv) the 2024 Series G First Home Loans (excluding the 2024 Series G Participation Loans) will be originated, on average, on March 18, 2025;
- (v) the 2024 Series G First Home Loans (excluding the 2024 Series G Participation Loans), will be 360-month Mortgage Loans;
- (vi) the 2024 Series G First Home Loans will be prepaid at the indicated percentage of the PSA Prepayment Benchmark;

(vii) all scheduled principal and interest payments, and any Prepayments, of the 2024 Series G Certificates will be timely received and applied to pay principal of and interest on, and Program Expenses related to, the Offered Bonds;

(viii) special redemptions from Prepayments and excess Revenues will occur on a quarterly basis as set forth herein;

(ix) amounts invested in the 2024 Series G Subaccount of the Acquisition Account will be invested at 0.0%; amounts invested in all other hereinafter-described Float Funds and the 2024 Series G Subaccount of the Negative Arbitrage Account will be invested at 0.0% for four years, 0.50% for three years, 1.00% for four years, and 1.50% thereafter;

(x) other than moneys remaining in the 2024 Series G Subaccount of the Negative Arbitrage Account after full acquisition of the 2024 Series G Certificates, no moneys from the 2024 Series G Subaccount of the Revenue Account will be needed to pay other Bonds or Auxiliary Obligations under the Indenture or will be withdrawn from the trust estate by Housing New Mexico upon satisfaction of the Asset Requirements and delivery of a Cash Flow Statement;

(xi) the Offered Bonds will not be optionally redeemed prior to maturity by Housing New Mexico;

(xii) no Revenues attributable to other series of Bonds (including amounts in the Surplus Fund) will be used to redeem the Offered Bonds; and

(xiii) no Prepayments of the 2024 Series G Certificates will be used to redeem other Bonds or Auxiliary Obligations under the Indenture.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

Pledge Under the Indenture

All Bonds outstanding under the General Indenture are secured by and payable from revenues, assets and moneys pledged for the payment thereof under the General Indenture. The pledge and lien of the General Indenture on such revenues, assets and moneys is created and established in the following order of priority: first, to secure the payment of the principal of and interest on the Class I Obligations; second, to secure the payment of the principal of and interest on the Class II Obligations; third, to secure the payment of the principal of and interest on the Class III Obligations; and fourth, to secure the payment of principal and interest on the Class IV Obligations. Bonds and Auxiliary Obligations may also be designated as General Obligations of Housing New Mexico.

Housing New Mexico has issued only Class I Bonds under the General Indenture, and no Bonds have been designated as General Obligations of Housing New Mexico. Housing New Mexico has never entered into an Auxiliary Agreement creating an Auxiliary Obligation under the General Indenture.

Under the terms of the Indenture, all Bonds and Auxiliary Obligations, including the Offered Bonds, are secured by a pledge of and a lien on all of Housing New Mexico's right, title and interest in, to and under:

- (i) the proceeds derived from the sale of the Bonds until used as set forth in the Indenture;
- (ii) the Revenues and all moneys and securities in the Funds and Accounts from time to time held by the Trustee under the terms of the Indenture (except moneys and securities in the Rebate Account and any Bond Purchase Fund) and investments, if any, thereof (other than the Rebate Requirement which is to be deposited in the Rebate Account);
- (iii) the Servicing Agreements, the Mortgage Loans and the Mortgage Certificates, the right to make a claim for, collect and receive Revenues payable to or receivable by Housing New Mexico (other than fees payable to Housing New Mexico upon obtaining a reservation for a Mortgage Loan, upon sale of a Mortgage Loan to a Servicer or upon the purchase of the Mortgage Certificates by the Trustee), to bring actions and proceedings under Servicing Agreements, the Mortgage Loans and the Mortgage Certificates or for the enforcement thereof, and to do any and all things which Housing New Mexico is or may become entitled to do under the Servicing Agreements, the Mortgage Loans and the Mortgage Certificates;
- (iv) all proceeds of mortgage insurance and guaranty benefits related to Mortgage Loans and the Mortgage Certificates received by Housing New Mexico under the Programs; and
- (v) all moneys and securities and all other rights of every kind and nature from time to time by delivery or by writing of any kind pledged, assigned or transferred as and for additional security under the Indenture to the Trustee by Housing New Mexico or by anyone in its behalf, or with its written consent and to hold and apply such property; subject to the rights granted Housing New Mexico to direct the release of moneys free from the lien of the Indenture under the terms and conditions set forth therein.

Additional Bonds

Housing New Mexico may issue Additional Bonds and Auxiliary Obligations secured by the pledge and lien of the General Indenture on a parity with, or subordinate to, the Offered Bonds and any other Bonds then outstanding (including Variable Rate Bonds as to which the variable interest rate risk is not hedged by an Interest Rate Contract or otherwise) upon satisfaction of the terms and conditions of the General Indenture, including the condition that, so long as there are any outstanding Bonds rated by a Rating Agency, Housing New Mexico will obtain a Cash Flow Statement and a confirmation from each such Rating Agency then providing a rating on such outstanding Bonds that the issuance of such Additional Bonds or Auxiliary Obligations will not result in the lowering or withdrawal of its then current rating on such Bonds. Housing New Mexico has also reserved the right to issue other obligations not secured by the pledge and lien of the General Indenture.

Limited Obligations

The Offered Bonds are special obligations of Housing New Mexico, payable solely from and secured by the pledge pursuant to the Indenture of the revenues and assets derived from the proceeds of the Offered Bonds, the Outstanding Bonds and any Additional Bonds including the Mortgage Certificates and the money and securities held in the Funds and Accounts created by the Indenture, other than the Rebate Account and the Rebate Requirement required to be deposited in the Rebate Account. In no event

shall the Offered Bonds constitute an obligation or liability (either general or special) of the State or any political subdivision thereof or constitute or give rise to a pecuniary liability of the State or any political subdivision thereof. Housing New Mexico has no taxing power and no power to pledge the general credit or taxing power of the State or any political subdivision thereof. The payment of principal of and interest on the Offered Bonds will be secured on a parity basis with the Outstanding Bonds. Housing New Mexico may issue Additional Bonds under the General Indenture on a parity or subordinate basis to the Offered Bonds and all other Bonds then outstanding. The General Indenture also authorizes the issuance of Additional Bonds as general obligations of Housing New Mexico.

The Offered Bonds are not a debt of the United States of America or any agency of the United States of America, including GNMA, or of Fannie Mae or Freddie Mac, and are not guaranteed by the full faith and credit of the United States of America or GNMA, or of Fannie Mae or Freddie Mac. The obligations of Fannie Mae and Freddie Mac are not backed by the full faith and credit of the United States of America.

Changes Permitted with a Rating Confirmation

The Indenture permits certain changes in the security for the Bonds and other matters so long as a confirmation is received from a Rating Agency that such changes will not result in a reduction, suspension or withdrawal of the outstanding rating assigned by such Rating Agency to any of the Bonds. Among other provisions, these include the ability to enter into Auxiliary Obligations and invest in certain Investment Obligations. See “APPENDIX A - SUMMARY OF CERTAIN PROVISIONS OF THE GENERAL INDENTURE” attached hereto.

INVESTMENT CONSIDERATIONS AND RISKS

The purchase of the Offered Bonds involves certain investment considerations and risks discussed throughout this Official Statement. Prospective purchasers of the Offered Bonds should make a decision to purchase the Offered Bonds only after reviewing the entire Official Statement and making an independent evaluation of the information contained and cited herein. Certain of those investment considerations and risks are summarized below. This summary is not intended to be definitive or exhaustive, and the order in which the following investment considerations and risks are presented is not intended to reflect their relative significance.

Prepayment and Redemption Considerations

The Trustee will receive scheduled payments and prepayments of the principal of each of the 2024 Series G Certificates. Prepayments consist of all principal payments in excess of the regularly scheduled principal payments on the 2024 Series G Certificates, including, but not limited to, payments representing: (i) optional prepayments of 2024 Series G First Home Loans, (ii) casualty insurance proceeds or condemnation awards applied to the prepayment of 2024 Series G First Home Loans following a partial or total destruction or condemnation of a residence, (iii) mortgage insurance or guaranty proceeds or other amounts received with respect to 2024 Series G First Home Loans following

acceleration thereof upon the occurrence of an event of default thereunder, (iv) prepayments of the 2024 Series G First Home Loans required pursuant to applicable rules, regulations, policies and procedures of FHA, USDA/RD, VA, GNMA or Fannie Mae, (v) prepayments of the 2024 Series G First Home Loans without notice while under supervision of a trustee in bankruptcy, and (vi) prepayments of the 2024 Series G First Home Loans in connection with the modification of such loans that results in the removal of 2024 Series G First Home Loans from the pool of loans backing the related 2024 Series G Certificates (see “Developments in the Residential Mortgage Market May Adversely Affect Bond Yield” below). Prepayments are usually the result of the resale of the premises securing a 2024 Series G First Home Loan or the refinancing of a 2024 Series G First Home Loan due to changes in mortgage interest rates. Therefore, economic and financial market conditions may have a significant effect on the rate of prepayments. Housing New Mexico is not aware of any means which would allow it to accurately predict the actual level of prepayments it will receive from the 2024 Series G Certificates. Prepayments with respect to the 2024 Series G Certificates allocated to the Offered Bonds will be applied to the special redemption from revenues of the Offered Bonds at the price and in accordance with the procedures described under the heading “DESCRIPTION OF THE OFFERED BONDS – Redemption Provisions” herein.

In accordance with the terms of the Indenture and pursuant to an Authority Request, Housing New Mexico may elect to transfer moneys on deposit in a subaccount of an Account in the Redemption Fund to a related or unrelated subaccount of the Acquisition Account of the Program Fund to purchase, finance or acquire additional Mortgage Loans or Mortgage Certificates, so long as each such Authority Request (a) certifies that the Request is consistent with the most recently filed related Cash Flow Statement and the related Series Indenture and (b) shall be accompanied by evidence of the satisfaction of all Asset Requirements for the related Series. The use of moneys in the Redemption Fund to purchase, finance or acquire additional Mortgage Loans or Mortgage Certificates is known as “**recycling**.” The 2024 Series G Indenture provides that Housing New Mexico will recycle such amounts only after the redemption of the Offered Bonds. See “DESCRIPTION OF THE OFFERED BONDS – Redemption Provisions – *Special Redemption from Revenues (Including Prepayments)*” above. Housing New Mexico does not presently recycle such amounts to purchase, finance or acquire Mortgage Loans or Mortgage Certificates.

In addition, Housing New Mexico may provide funds through other programs for the refinancing of Mortgage Loans purchased, acquired or financed with proceeds of the Bonds. If Mortgage Loans are so refinanced and paid in full, such payments would be treated as Prepayments on the Mortgage Loans, resulting in an early redemption of the Bonds. See “DESCRIPTION OF THE OFFERED BONDS – Redemption Provisions – *Special Redemption from Revenues (Including Prepayments)*” above.

The “**10-Year Rule**” (Section 143(a)(2)(A)(iv) of the Code), as it is commonly called, generally requires that scheduled payments and prepayments of the principal of the 2024 Series G Certificates allocable to the Offered Bonds must be used to redeem the Offered Bonds to the extent such repayments are received more than 10 years after the issue date thereof (or, with respect to any tax-exempt Bonds redeemed by the Offered Bonds, the original Bond). Such principal payments, when received, are considered “**Restricted Principal Receipts**”. The 10-Year Rule generally limits Housing New Mexico’s ability to cross-call Bonds from Restricted Principal Receipts or to recycle such Restricted Principal Receipts. From time to time, there have been efforts to repeal the 10-Year Rule. Any repeal of the 10-Year Rule may lead to increased recycling or to the cross-calling of the Bonds (including, but not limited to, the Offered Bonds).

No representation is made as to the actual timing of the origination of the 2024 Series G First Home Loans, the yield to redemption of any Offered Bonds, the redemption of any of the Offered Bonds or the rate of prepayment on the 2024 Series G First Home Loans. Investors

seeking to maximize yield are urged to make an investment decision with respect to the Offered Bonds based upon the investor's desired yield to redemption or maturity, the anticipated yield to redemption or maturity of the Offered Bonds resulting from the price thereof and the investor's own determination as to (a) the anticipated rate of prepayments with respect to the Mortgage Loans (including the 2024 Series G First Home Loans) and (b) Housing New Mexico's ability and willingness to redeem Bonds and recycle.

Developments in the Residential Mortgage Market May Adversely Affect Bond Yield

The residential mortgage market in the United States has experienced a variety of difficulties and changed economic conditions that may adversely affect the performance and market value of mortgage revenue bonds. In response to increased delinquencies and losses with respect to residential mortgage loans, the federal government, state governments, consumer advocacy groups and others have urged aggressive action to modify mortgage loans to avoid foreclosures and, in response, certain mortgage servicers have established foreclosure avoidance programs for borrowers. In addition, numerous laws, regulations and rules relating to mortgage loans generally, and foreclosure actions particularly, have been enacted by federal, state and local governmental authorities and it is likely that additional laws, regulations and rules will be proposed and/or enacted. These laws, regulations, and rules, together with judicial decisions, may result in delays in the foreclosure process, reduced payments by borrowers, modification of the original terms of the 2024 Series G First Home Loans, including permanent forgiveness of debt, increased prepayments due to the availability of government-sponsored refinancing initiatives and/or increased reimbursable mortgage servicing expenses. Several courts have also taken unprecedented steps to slow the foreclosure process or prevent foreclosure altogether.

Any modification of a 2024 Series G First Home Loan may result in the removal of such 2024 Series G First Home Loan from the pool of loans backing the related 2024 Series G Certificate. The principal balance of the removed 2024 Series G First Home Loan will be distributed on the related 2024 Series G Certificate and will affect expected timing of distributions of principal on the 2024 Series G Certificates, and, therefore, the Offered Bonds. Bondholders bear the risk that modifications of the 2024 Series G First Home Loans may reduce the yield on any Offered Bonds purchased at a premium.

Yield and Prepayment Considerations

The Offered Bonds will be sensitive to the rate and the timing of principal payments and prepayments on the respective 2024 Series G First Home Loans. As a result, actual weighted average lives of the Offered Bonds may vary substantially over the lives of such Offered Bonds. The yield to the holders of Offered Bonds purchased at a discount or premium will be affected by the actual rate of principal prepayments on the 2024 Series G First Home Loans to the extent such prepayments affect principal payments on the 2024 Series G Certificates. A lower rate of principal prepayments than expected on the 2024 Series G Certificates would negatively affect the yield on the Offered Bonds sold at a discount, and a higher rate of prepayments than expected would negatively affect the yield on the Offered Bonds sold at a premium. Because it is impossible to predict with any accuracy the timing and dollar amount of principal prepayments that will be made on the 2024 Series G Certificates, investors may find it difficult to analyze the effect of prepayments on the yield on the Offered Bonds.

Rating Downgrade

Because the 2024 Series G Certificates are guaranteed by GNMA, Fannie Mae and/or Freddie Mac, as applicable, any downgrade in the sovereign credit rating of the United States of America by Moody's likely would result in a downgrade of the Offered Bonds by Moody's. Any reduction of the rating in effect for the Offered Bonds may adversely affect their market price. In addition, as all

Outstanding Bonds are also secured in part by GNMA Certificates, Fannie Mae Certificates and Freddie Mac Certificates, as applicable, any downgrade of the rating of the United States of America, or of Fannie Mae or Freddie Mac, likely would result in a rating downgrade of the Outstanding Bonds. See “RATING” herein.

Substitution of Rating Agencies

The Offered Bonds have been assigned a long-term credit rating as more fully described under “RATING” herein. Pursuant to the 2024 Series G Indenture, Housing New Mexico may substitute such long-term rating with a substantially equivalent rating provided S&P or another nationally recognized statistical rating organization providing long-term ratings with respect to obligations similar to the Offered Bonds. No consent of the holders of any Bonds shall be required in connection with such substitution.

Nature of Guaranties of Fannie Mae and Freddie Mac

The obligations of Fannie Mae under its guarantees of the Fannie Mae Certificates, and the obligations of Freddie Mac under its guarantees of the Freddie Mac Certificates, are the respective obligations of Fannie Mae and Freddie Mac only. Neither the Fannie Mae Certificates nor the Freddie Mac Certificates (collectively, the “**Enterprise Certificates**”), including the interest thereon, are guaranteed by the United States, nor do they constitute debts or obligations of the United States or any agency or instrumentality of the United States other than Fannie Mae or Freddie Mac, respectively, nor are they entitled to the full faith and credit of the United States. If either Fannie Mae or Freddie Mac is unable to satisfy its obligations under its guarantees, distributions on its Enterprise Certificates would consist solely of payments and other recoveries on the related mortgage loans. Accordingly, prepayments, delinquencies and defaults on the mortgages would affect distributions on the Enterprise Certificates and could adversely affect payments on the Offered Bonds.

On June 3, 2019, Fannie Mae and Freddie Mac (each, an “**Enterprise**” and, together, the “**Enterprises**”) began issuing new, common, single mortgage-backed securities, formally known as Uniform Mortgage-Backed Securities (“**UMBS**”). The UMBS issued by the Enterprises finance fixed-rate mortgages and are guaranteed by either Fannie Mae or Freddie Mac depending upon which Enterprise issues the UMBS. Each UMBS is backed by fixed-rate mortgage loans purchased entirely by one of the Enterprises; thus, there is no comingling of collateral. The UMBS have characteristics similar to Fannie Mae Certificates and Freddie Mac has modified its security structure to more closely align with Fannie Mae Securities. The Enterprises may be required to consult with each other to ensure specific Enterprise programs or policies do not cause or have potential to cause cash flows to investors of mortgage-backed securities to misalign. Proceeds of the Offered Bonds are expected to be used to purchase 2024 Series G Certificates which may include UMBS issued by Fannie Mae or Freddie Mac. For purposes of this Official Statement and the 2024 Series G Indenture, the term “2024 Series G Certificates” includes UMBS.

Events of Default; Remedies; Parity Indenture

The remedies available to the owners of the Offered Bonds upon an Event of Default under the Indenture or an event of default under the other documents described herein are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies available under the documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Offered Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by the application of equitable principles.

The Offered Bonds are secured on a parity with other Bonds issued under the Indenture. The occurrence of an event of default under any one or more series of Bonds is an event of default with respect to all series of Bonds, even if payments on other series are not in default. See “Events of Default” and “Remedies” in “APPENDIX A - SUMMARY OF CERTAIN PROVISIONS OF THE GENERAL INDENTURE” attached hereto.

Investment Obligations

The Indenture provides that amounts on deposit in any Funds and Accounts under the Indenture may be from time to time invested or reinvested in Investment Obligations. Certain investment agreements and, where acceptable to the Rating Agencies then rating the Related Bonds, guarantees may be delivered, from time to time, in connection with each Series of Bonds issued pursuant to the Indenture. The investment agreements, and any related guarantees, entered into in connection with the Bonds are herein collectively referred to as the “**Investment Agreements**”. In each case, the Investment Agreements, when entered into, must be consistent with and permit the continuation of the then current rating on the Bonds. Copies of Investment Agreements, if any, are on file with the Trustee. It is not expected that proceeds of the Offered Bonds will be invested in an Investment Agreement.

The failure to receive timely payment on Investment Obligations, including any Investment Agreements, could adversely affect Housing New Mexico’s ability to pay principal of and interest on the Bonds. If the rating issued by a Rating Agency with respect to any provider of an Investment Agreement falls below certain rating levels established by such Rating Agency with respect to such entity’s long-term and/or short-term rating, as applicable, the rating on the Bonds may be adversely affected. Housing New Mexico is under no obligation with respect to assuring the continued maintenance by any provider of an Investment Agreement of a particular rating from a Rating Agency, nor to find a substitute Investment Agreement in the event of a lowering of a provider’s rating. See “ASSUMPTIONS REGARDING REVENUES, DEBT SERVICE REQUIREMENTS, OPERATING EXPENSES AND CERTAIN OTHER MATTERS” herein.

Business Disruption Risk

General. Certain external events, such as pandemics, natural disasters, severe weather, technological emergencies, riots, acts of war or terrorism or other circumstances, could potentially disrupt Housing New Mexico’s ability to conduct its business. A prolonged disruption in Housing New Mexico’s operations could have an adverse effect on Housing New Mexico’s financial condition and results of operations. To plan for and mitigate the impact such an event may have on its operations, Housing New Mexico has developed an Emergency Management Plan (the “**Plan**”). The Plan is designed to aid Housing New Mexico in (i) taking all reasonable and practical steps to minimize possible exposure to a disaster or potentially damaging event, (ii) initiating reasonable and appropriate recovery steps in the event of a disaster or potentially damaging event, and (iii) providing for continuity of operations in the

event of a disaster or potentially damaging event. No assurances can be given that Housing New Mexico's efforts to mitigate the effects of a disaster or potentially damaging event will be successful in preventing any and all disruptions to its operations should such a disaster or potentially damaging event occur.

Cybersecurity. Housing New Mexico relies on a complex technology environment to conduct its operations. As a recipient and provider of personal, private and sensitive information, Housing New Mexico faces multiple cyber threats including, but not limited to, hacking, viruses, malware, ransomware, phishing, business email compromise, and other attacks on computers and other sensitive digital networks, systems, and assets. Housing finance authorities and other public finance entities have been targeted by outside third parties, including technically sophisticated and well-resourced actors, attempting to misappropriate assets or information or cause operational disruption and damage. Further, third parties, such as hosted solution providers, that provide services to Housing New Mexico, could also be a source of security risk in the event of a failure of their own security systems and infrastructure.

Housing New Mexico uses a layered approach that employs sound operational strategies and security technology solutions to secure against, detect, and mitigate the effects of cyber threats on its infrastructure and information assets. Housing New Mexico conducts regular information security and privacy awareness training that is mandatory for all Authority staff and regularly conducts risk assessments and tests of its cybersecurity systems and infrastructure. Housing New Mexico's Senior Director of Information Technology focuses on and leads the efforts of Housing New Mexico to keep its cyber assets secure.

Despite its efforts, no assurances can be given that Housing New Mexico's security and operational control measures will be successful in guarding against any and each cyber threat and attack, especially because the techniques used are increasingly sophisticated, change frequently, are complex, and are often not recognized until launched. To date, cyber-attacks have not had a material impact on the financial condition, results or business of Housing New Mexico; however, Housing New Mexico is not able to predict the severity of these attacks. The results of any attack on Housing New Mexico's computer and information technology systems could impact its operations for an unknown period of time, damage Housing New Mexico's digital networks and systems, and damage Housing New Mexico's reputation, financial performance, and customer or vendor relationships. Such an attack could also result in litigation or regulatory investigations or actions, including regulatory actions by state and federal governmental authorities. The costs of remedying any such damage could be substantial and such damage to Housing New Mexico's reputation and relationships could adversely affect Housing New Mexico's ability to make loans and issue Bonds in the future.

ASSUMPTIONS REGARDING REVENUES, DEBT SERVICE REQUIREMENTS, OPERATING EXPENSES AND CERTAIN OTHER MATTERS

General

Payments of principal of and interest on the 2024 Series G Certificates, whether from scheduled monthly installments or from Prepayments, together with investment income expected to be derived from the funds held under the Indenture with respect to the Offered Bonds and invested in Investment Obligations, are assumed to be the source of Revenues with respect to the Offered Bonds and are expected to be sufficient to pay the interest on and the principal of the Offered Bonds and the costs of operating the Single Family Mortgage Program. Certain assumptions have been made as to the range of variation in the generation of Revenues from such sources in order to determine the effect of such variation on the sufficiency of Revenues to pay debt service on the Offered Bonds. Housing New Mexico cannot guarantee that actual results will not vary materially from those projected. To the extent that

(i) 2024 Series G Certificates are not purchased either at the times anticipated by Housing New Mexico or at all, (ii) 2024 Series G Certificates are not paid on a timely basis in accordance with their terms, (iii) the rate of receipt of Prepayments is other than as projected, (iv) actual investment income differs from that estimated by Housing New Mexico or (v) moneys in the 2024 Series G Subaccount of the Revenue Account are needed to pay debt service on or program expenses for other Bonds or Auxiliary Obligations, the moneys available from the 2024 Series G Certificates may be insufficient for the payment of debt service on the Offered Bonds and operating expenses of the Single Family Mortgage Program. In such event, Housing New Mexico would make such payments from the Revenue Fund and from other funds, accounts and moneys under the Indenture, to the extent available.

Under the First Home Program the fixed interest rate on 2024 Series G First Home Loans may be revised from time to time, and Housing New Mexico expects to evaluate interest rates weekly and to change the interest rates as appropriate in the light of rates in the residential mortgage market generally, economic conditions and financial considerations of Housing New Mexico, all within the limitations established by the Indenture and federal tax laws and regulations. Housing New Mexico expects that the average fixed interest rates for 2024 Series G First Home Loans (excluding the 2024 Series G Participation Loans) will be 5.817%. Of the Mortgage Certificates backed by such 2024 Series G First Home Loans, it is assumed that approximately 82.1% of such certificates will consist of GNMA Certificates bearing interest at a rate of 0.43% per annum lower than the underlying 2024 Series G First Home Loans, and approximately 17.9% of such certificates will consist of Fannie Mae Certificates and/or Freddie Mac Certificates bearing interest at a rate of 0.75% per annum lower than the underlying 2024 Series G First Home Loans. The actual results with respect to the 2024 Series G Certificates are likely to change from the current expectations of Housing New Mexico described in this paragraph.

Housing New Mexico has assumed the payment from the 2024 Series G Subaccount of the Revenue Account of annual Program Expenses with respect to the Offered Bonds consisting of, commencing March 1, 2025, a Fiduciary Fee not to exceed three hundredths of one percent (0.03%) per annum of Outstanding Offered Bonds plus, commencing September 1, 2025, an Authority Fee equal to eighteen hundredths of one percent (0.18%) per annum of the outstanding principal balance of the 2024 Series G Certificates.

Notwithstanding the foregoing, Housing New Mexico may withdraw any money remaining in the 2024 Series G Subaccount of the Revenue Account following the transfers to pay debt service, on each Payment Date, after the various Asset Requirements have been satisfied and a Cash Flow Statement has been delivered to the Trustee.

Moneys in the 2024 Series G Subaccount of the Acquisition Account, the 2024 Series G Subaccount of the Revenue Fund, the 2024 Series G Subaccount of the Negative Arbitrage Account, the 2024 Series G Subaccount of the Debt Service Fund and the 2024 Series G Subaccount of the Redemption Fund (the “**Float Funds**”) are required to be invested in Investment Obligations as defined in “APPENDIX A – SUMMARY OF CERTAIN PROVISIONS OF THE GENERAL INDENTURE” attached hereto.

The schedules of the serial Offered Bonds and the mandatory sinking fund redemption of the Offered Term Bonds assume no Prepayments of the 2024 Series G First Home Loans. See “DESCRIPTION OF THE OFFERED BONDS – Estimated Weighted Average Lives of the Offered Term Bonds” herein. A portion of the Offered Bonds is likely to be redeemed pursuant to the special redemption provisions of the Indenture. See “DESCRIPTION OF THE OFFERED BONDS – Redemption Provisions” herein. Housing New Mexico anticipates that a portion of the 2024 Series G First Home Loans will be partially or completely prepaid or terminated prior to their respective final maturities, and it is probable that the Offered Bonds will have a shorter life than the stated maturities of

such Offered Bonds. The actual rate of principal payments on pools of Mortgage Loans may be influenced by a variety of economic, geographic, social and other factors, and there is no reliable basis for predicting the actual average life of the 2024 Series G First Home Loans. In general, if prevailing interest rates are significantly below the interest rates on the 2024 Series G First Home Loans, the 2024 Series G First Home Loans are likely to be subject to higher prepayment rates than if prevailing rates are at or above the interest rates on the 2024 Series G First Home Loans. Conversely, if interest rates rise above the interest rates on the 2024 Series G First Home Loans, the rate of prepayment would be expected to decrease. Other factors affecting prepayment of the 2024 Series G First Home Loans include changes in mortgagors' housing needs, job transfers, unemployment, mortgagors' net equity or unrealized loss in the mortgaged properties, servicing decisions, the age and payment terms of the 2024 Series G First Home Loans, the extent to which such loans are assumed or refinanced, the use of second-lien or other individualized financing arrangements and the requirements of the Single Family Mortgage Program, including the requirements of the Internal Revenue Code of 1986, as amended (the "Code") with respect to the assumability of the 2024 Series G First Home Loans funded with the proceeds of qualified mortgage bonds. Housing New Mexico makes no representation as to the factors that will affect the prepayment of the 2024 Series G First Home Loans or the relative importance of such factors. Factors not identified by Housing New Mexico or discussed herein may significantly affect the prepayment of the 2024 Series G First Home Loans.

Housing New Mexico believes the assumptions described herein are reasonable, but it cannot guarantee that actual results will not vary materially from such assumptions. If subsequent events do not correspond to such assumptions, the amount of Revenues from the 2024 Series G Certificates and investment earnings available for the payment of principal of and interest on the Offered Bonds and costs of operating the Single Family Mortgage Program may be adversely affected.

Non-Origination of 2024 Series G First Home Loans; Non-Delivery of 2024 Series G Certificates

Competition in making real estate loans in the State normally comes primarily from credit unions, commercial banks, mortgage bankers, and other mortgage lenders in the area. One of the principal factors in competing for real estate loans is the interest rate charged to the mortgagor. While Housing New Mexico expects the 2024 Series G First Home Loans will be made on terms comparable or more favorable than prevailing market terms, market interest rates on other available Mortgage Loans could decline and become more competitive with and possibly more attractive than the 2024 Series G First Home Loans. Although Housing New Mexico may change the fixed interest rate at which the 2024 Series G First Home Loans are originated to maintain competitive levels, economic and financial considerations of Housing New Mexico, requirements of the Indenture and federal tax laws and regulations may limit the ability of Housing New Mexico to maintain competitive interest rates. Since the inception of Housing New Mexico's use of Mortgage Certificates in its Single Family Mortgage Program in 1994, Housing New Mexico has not redeemed any Bonds from unexpended proceeds.

Housing New Mexico expects that amounts initially deposited into the 2024 Series G Subaccount of the Acquisition Account will be used to acquire 2024 Series G Certificates. Housing New Mexico is not obligated to use the proceeds of the Offered Bonds, any Outstanding Bonds or any Additional Bonds in any particular order and, depending upon the respective Mortgage Loan interest rates, Housing New Mexico may elect, from time to time, to use proceeds of particular Bonds to the exclusion of other Bonds, including the Offered Bonds.

[Remainder of Page Intentionally Left Blank]

In addition to financing Mortgage Loans with the proceeds of Bonds, since 2012 Housing New Mexico has operated a program to finance mortgage certificates in the secondary market and hedge market risk in the “to be announced” (“TBA”) market. For the twelve-month period ending September 30, 2024, Housing New Mexico had completed the sale and settlement of approximately \$111,218,024 of mortgage certificates through the TBA market and had commitments to settle and deliver approximately \$28,057,839 of mortgage certificates. Such sales may adversely affect the amount and timing of origination of 2024 Series G First Home Loans. The origination of 2024 Series G First Home Loans may also be affected by events affecting the economy of the State such as the rate of job growth and building activity. Depending upon the interest rates of certain mortgage loans and certain mortgage certificates that Housing New Mexico may have intended to acquire with the proceeds of the Offered Bonds when such mortgage loans were originated and such mortgage certificates pooled, it may become more advantageous for Housing New Mexico to sell such mortgage loans and mortgage certificates in the TBA market instead of acquiring such mortgage loans and mortgage certificates with proceeds of the Offered Bonds.

If moneys in the 2024 Series G Subaccount of the Acquisition Account are not used to purchase 2024 Series G Certificates for any reason, including but not limited to any one or a combination of those listed above, the Offered Bonds are subject to redemption prior to maturity at par, except for the redemption of the Premium PAC Bonds which are to be redeemed at the price set forth on the inside cover page hereto. See “DESCRIPTION OF THE OFFERED BONDS – Redemption Provisions – *Special Redemption from Unexpended Proceeds*” herein.

For Mortgage Loans made from the proceeds of any tax-exempt financing such as the Offered Bonds, the Code requires a payment to the United States from certain mortgagors upon sale of their homes (the “**Recapture Provision**”). The Recapture Provision requires that an amount determined to be the subsidy provided by tax-exempt financing be paid to the United States upon disposition of the home (but not in excess of 50% of the gain realized by the mortgagor). The recapture amount increases during the first five years of ownership, with full recapture occurring if the home is sold during the fifth year. The recapture amount declines ratably to zero with respect to sales occurring in years six through nine. The Code excludes from recapture part or all of the subsidy in the case of assisted individuals whose incomes are less than prescribed amounts at the time of the disposition. The Recapture Provision may result in reduced demand for 2024 Series G First Home Loans.

In addition, no assurance can be given that a change in the existing GNMA Program, Fannie Mae Program or Freddie Mac Program will not occur such that GNMA Certificates, Fannie Mae Certificates and Freddie Mac Certificates may not be available for purchase by the Trustee.

FIRST HOME PROGRAM

Housing New Mexico intends to finance with a portion of the proceeds of the Offered Bonds approximately \$70,000,000 in aggregate principal amount of 2024 Series G Certificates backed by 2024 Series G First Home Loans originated under the First Home Program. Such 2024 Series G First Home Loans are originated by Mortgage Lenders in accordance with the terms and conditions of the Act, the Indenture, the Code, the Rules and Regulations, the Master Purchase Agreements and the MBS Compliance Agreements (which includes the “First Home Program Reservation/Lock Commitment” and the “First Home Compliance Approval/Loan Purchase Commitment”). Such documents establish numerous conditions and requirements concerning the acquisition of the 2024 Series G First Home Loans by Housing New Mexico. A summary of the First Home Program requirements follows. Housing New Mexico may change its First Home Program requirements from time to time without prior notice.

Housing New Mexico reserves the right to modify or otherwise change its procedures under the First Home Program from time to time without prior notice on the basis of its experience in order to meet changed conditions. To the extent that such modifications or changes are made, Housing New Mexico will be governed by the Act and by the covenants contained in the Indenture.

Mortgage Loan Eligibility Requirements

Housing New Mexico expects to evaluate interest rates weekly and to change interest rates as appropriate in light of the rates in the residential mortgage market generally, economic conditions and financial considerations of Housing New Mexico, all within the limitations established by the Indenture and federal tax law regulations.

All First Home Loans are to (i) be 30-year fully amortizing Mortgage Loans with substantially equal monthly payments of principal and interest over their terms, (ii) be in an amount not to exceed 100% (or such lower amount as may be permitted by the related insurer or Fannie Mae or Freddie Mac) of the value or the Acquisition Cost of the mortgaged property, and (iii) (A) be insured by FHA or HUD, (B) be guaranteed by VA, (C) be guaranteed by RHS, (D) if not insured by FHA or HUD or guaranteed by VA or RHS and the initial loan-to-value ratio is greater than 80%, be insured under a policy of private mortgage guaranty insurance issued by a private mortgage insurer acceptable to Fannie Mae or Freddie Mac, as applicable, or (E) have an initial loan-to-value ratio not greater than 80%.

The First Home Loans may be used to finance the purchase of new or existing single family residences within the State. Each such First Home Loan will be secured by a Mortgage which constitutes a first lien on real property including the improvements thereon, subject only to encumbrances and defects permitted under the MBS Compliance Agreements.

Assumptions of 2024 Series G First Home Loans are permitted, provided that Housing New Mexico consents in advance to the assumption and that the assumption meets Authority requirements relating thereto, including compliance by the transferee with income, occupancy and acquisition cost restrictions, if and to the extent applicable. Assumptions are also subject to compliance with any mortgage insurance, Fannie Mae or Freddie Mac guidelines.

Mortgagor and Acquisition Cost Requirements

Each First Home Loan originated by a Mortgage Lender must be made to an obligor (i) who intends to occupy the residence financed by such First Home Loan as such obligor's principal place of residence within 60 days after the date of such First Home Loan, (ii) with certain exceptions, who has not had a prior mortgage loan on such residence at any time prior to the origination of the First Home Loan, (iii) with certain exceptions, who has not owned a home as a primary residence in the past three years, and (iv) whose family income does not exceed Housing New Mexico's family income limitations, established from time to time in accordance with federal law. In addition to these requirements, the Acquisition Cost of financed residences cannot exceed the limits determined by Housing New Mexico from time to time, in accordance with federal law.

Notice of Availability of Funds; Reservation, Delivery and Purchase of First Home Loans

Housing New Mexico provides notices of availability of funds to the Mortgage Lenders determined by Housing New Mexico to be eligible to participate in the First Home Program. To be eligible to participate in the First Home Program, a Mortgage Lender must, among other things, enter into a Master Purchase Agreement with Housing New Mexico.

Housing New Mexico's reservation procedure requires a Mortgage Lender to have taken a preliminary loan application from a potential borrower who has entered into a binding purchase contract with the seller of a residence. Under the terms of the Master Purchase Agreement, each Mortgage Lender may charge, in connection with the origination and closing of Mortgage Loans, those fees specified from time to time by Housing New Mexico. Mortgage Lenders presently may charge borrowers an origination fee equal to 0.50% of the principal amount of the Mortgage Loan. In order to make a reservation request, the Mortgage Lender must use Housing New Mexico's on-line reservation system and maintain copies of the required documents in its loan file. Loans will be reserved in the order they are received by the on-line reservation system. If Housing New Mexico is able to accommodate the reservation request, it will so signify by providing to the requesting Mortgage Lender a completed and unsigned MBS Compliance Agreement. In order to obtain a commitment from Housing New Mexico for the Mortgage Loan, the Mortgage Lender must deliver a signed MBS Compliance Agreement and other forms and documents prior to the execution by Housing New Mexico or Idaho Housing of the MBS Compliance Agreement, as the case may be. By executing the MBS Compliance Agreement, Housing New Mexico will certify or cause to be certified that the Mortgage Loan is eligible for purchase. The Mortgage Lender must then deliver the Mortgage Loan for purchase on or before the final mortgage delivery date. Following correction of any deficiencies in the Mortgage Loan, Housing New Mexico shall disburse or cause to be disbursed funds to the Mortgage Lender for the purchase of any eligible Mortgage Loans delivered to Housing New Mexico.

Each closed Mortgage Loan must be delivered to Housing New Mexico for purchase within 60 days of reserving the Mortgage Loan. If Housing New Mexico permits delivery of Mortgage Loans after such date, Housing New Mexico may charge an extension fee.

Down-Payment and Closing Cost Assistance

Housing New Mexico currently offers four down-payment assistance programs designed to assist low-to-moderate income, first-time homebuyers. Each of the programs can be used in conjunction with Housing New Mexico's First Home Program. The programs provide either a second mortgage loan or grant based on established program guidelines, the proceeds of which can be utilized for down payment and/or closing cost assistance. Such programs are currently funded using Housing New Mexico's funds or through a Federal grant award. From time to time, Housing New Mexico may amend its down-

payment assistance program guidelines without prior notice. The second mortgage loans made in connection with Housing New Mexico's down-payment assistance programs are not pledged as security for the Bonds under the Indenture.

Mortgage Discount and Purchase Price

Upon each purchase by or on behalf of Housing New Mexico of a First Home Loan, Housing New Mexico shall pay or cause to be paid to the Mortgage Lender a servicing release premium. The Trustee purchases each First Home Loan Certificate from Housing New Mexico at a purchase price of 101.0% of the principal amount thereof. Immediately following the purchase described herein the Trustee shall transfer an amount equal to 1.0% of the principal component of such Mortgage Certificate from the 2024 Series G Subaccount of the Acquisition Account and then deposit an amount equal to 0.50% of such principal component of such Mortgage Certificate to the 2024 Series G Subaccount of the Revenue Account and shall transfer an amount equal to the remaining 0.50% of such principal component of such Mortgage Certificate to Housing New Mexico free and clear of the lien of the Indenture.

MBS Compliance Agreements

Purchases of First Home Loans by or on behalf of Housing New Mexico from Mortgage Lenders are made pursuant to the MBS Compliance Agreements and the Master Purchase Agreements, each between the Mortgage Lenders and Housing New Mexico. Each MBS Compliance Agreement provides for the sale of a specified Mortgage Loan to be closed and delivered to Housing New Mexico or on its behalf. Each MBS Compliance Agreement relates to a specific mortgagor, residence and Mortgage Loan amount for which Housing New Mexico reserved funds as requested by the Mortgage Lender pursuant to the reservation procedures described above. Each MBS Compliance Agreement contains certain representations and warranties of the Mortgage Lender with respect to the Mortgage Loan delivered thereunder.

Housing New Mexico has the right to decline to purchase, and may withdraw its approval of the purchase of, any Mortgage Loan offered for sale to Housing New Mexico if such loan does not meet the requirements set forth in the MBS Compliance Agreement. The Master Purchase Agreements provide that the Mortgage Lender shall repurchase any Mortgage Loan sold to Housing New Mexico which does not conform to all of the terms, conditions, representations and warranties of the applicable MBS Compliance Agreement.

Housing New Mexico reserves the right to modify or otherwise change its procedures under the First Home Program from time to time without prior notice on the basis of its experience in order to meet changed conditions. To the extent that such modifications or changes are made, Housing New Mexico will be governed by the Act and by the covenants contained in the Indenture.

[Remainder of Page Intentionally Left Blank]

Master Purchase Agreements

Each MBS Compliance Agreement incorporates by reference the Master Purchase Agreement between Housing New Mexico and the Mortgage Lender, including all of the terms, conditions, representations and warranties therein. Each Master Purchase Agreement describes the requirements for eligible Mortgage Loans under the First Home Program and contains representations, warranties, covenants and agreements of the Mortgage Lender to Housing New Mexico. Housing New Mexico and Idaho Housing, as the case may be, each have the right to decline to purchase any Mortgage Loan offered to it if, in its reasonable opinion, the Mortgage Loan does not conform to applicable GNMA, Fannie Mae or Freddie Mac guidelines, and Housing New Mexico has the right to not purchase any Mortgage Loan if, in the reasonable opinion of Housing New Mexico, the Mortgage Loan does not conform to the requirements of the Act or the Master Purchase Agreement.

The Master Purchase Agreements may be amended or supplemented from time to time, provided any such amendment or supplement does not adversely affect the rights or security of the Holders of the Offered Bonds.

The Servicing Agreement

Housing New Mexico retains all servicing rights related to purchased First Home Loans, including the 2024 Series G First Home Loans. Pursuant to the Servicing Agreement, Idaho Housing purchases conventional First Home Loans from the Mortgage Lenders in Housing New Mexico's name, and Housing New Mexico purchases First Home Loans guaranteed or insured by FHA, VA or RHS directly from the Mortgage Lenders. Upon each such purchase, Housing New Mexico will pay or cause to be paid to the Mortgage Lender a servicing release premium. Housing New Mexico is to sell the First Home Mortgage Certificates backed by the First Home Loans to the Trustee at 101.0% of the unpaid principal balance thereof, plus accrued interest. In addition, the Servicing Agreement requires Idaho Housing to service the First Home Loans, as Housing New Mexico's subservicer, in accordance with the requirements of the applicable guarantor or insurer.

Other Servicing Arrangements

Pursuant to prior servicing agreements, certain outstanding Mortgage Loans are serviced by entities other than Housing New Mexico, including Freedom Mortgage Corporation, Matrix Financial Services Corporation, Nationstar Mortgage LLC (d/b/a Mr. Cooper), Intercap Lending, Inc., U.S. Bank National Association, Bank of Oklahoma (formerly Charter Bank), Bank of America (formerly Countrywide Bank, FSB), CitiMortgage, Inc., Wells Fargo Bank, N.A. (formerly First Security Bank, N.A.) and Idaho Housing.

LEGALITY FOR INVESTMENT

The Act provides that the Offered Bonds are securities in which all insurance companies and associations and other persons carrying on insurance business, all banks, bank and trust companies, trust companies, private banks, savings banks, savings and loan associations, building and loan associations, investment companies and other persons carrying on a banking business, all administrators, guardians, executors, trustees and other fiduciaries, and all other persons who are or may be authorized to invest in bonds or other obligations of the State, may properly and legally invest funds, including capital in their control or belonging to them.

LEGAL MATTERS

Certain legal matters in connection with issuance of the Offered Bonds are subject to the approval of Kutak Rock LLP, Omaha, Nebraska, Bond Counsel. Certain legal matters will be passed upon for the Underwriters by Orrick, Herrington & Sutcliffe LLP, San Francisco, California, and for Housing New Mexico by Stelzner, Winter, Warburton, Flores & Dawes, P.A., Albuquerque, New Mexico. On the date of the issuance of the Offered Bonds, the approving opinion of Bond Counsel will be delivered in substantially the form set forth in APPENDIX B attached hereto.

TAX MATTERS

Federal Tax Matters with Respect to the Offered Bonds

General. In the opinion of Bond Counsel, under existing laws, regulations, rulings and judicial decisions, interest on the Offered Bonds is excludable from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. The opinion described above assumes the accuracy of certain representations and compliance by Housing New Mexico with covenants designed to satisfy the requirements of the Code that must be met subsequent to the issuance of the Offered Bonds. Failure to comply with such requirements could cause interest on the Offered Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance thereof. Housing New Mexico has covenanted to comply with such requirements. Bond Counsel has expressed no opinion regarding other federal tax consequences arising with respect to the Offered Bonds. Interest on the Offered Bonds may affect the federal alternative minimum tax imposed on certain corporations.

Section 103(a) and Section 141(e)(1)(B) of the Code provide that gross income for federal income tax purposes does not include interest on a “qualified mortgage bond”. Under Section 143 of the Code, a qualified mortgage bond is a bond which is issued as part of an issue the proceeds of which are used to finance owner-occupied residences meeting certain requirements relating to loan eligibility, targeted areas, yield restrictions and other matters.

The mortgage loan eligibility requirements of Section 143 of the Code generally applicable to the Offered Bonds are that (a) the residence with respect to which the Mortgage Loan is made is a single-family residence which is located in the State and can reasonably be expected to become the principal residence of the mortgagor within a reasonable time after the Mortgage Loan is made; (b) except in certain limited circumstances, no part of the proceeds are to be used to acquire or replace any existing mortgage; (c) the acquisition cost of the completed residence meets certain limits; (d) with certain exceptions, most notably targeted areas and for certain mortgagors who are qualified veterans, the mortgagor will not have had a present ownership interest in its principal residence during the preceding three years; (e) with certain exceptions, the family income of the mortgagor will not exceed 100%, in the case of a household of less than three persons, and 115%, in the case of a household of three or more persons, of median gross income for the area in which the residence is located or the State, whichever is greater; and (f) the loan will not be assumable unless the requirements of (a), (c), (d) and (e) above are met at the time of the assumption. An issue is treated as meeting the loan eligibility requirements of Section 143 if (a) the issuer in good faith attempted to meet all of the requirements before the loans were executed; (b) 95% or more of the proceeds of the issue used to finance loans was devoted to residences which met all such requirements at the time the loans were executed; and (c) any failure to comply with the loan eligibility requirements is corrected within a reasonable period after such failure is first discovered.

The Code imposes additional nonmortgage loan eligibility requirements relating to the Offered Bonds to maintain the exclusion from gross income for federal income tax purposes of interest on the Offered Bonds. For example, the Code limits the amount of the costs of issuance which may be paid from the proceeds of the Offered Bonds, limits the size of reserve funds established with the proceeds of the Offered Bonds and can require earnings on nonmortgage investments in excess of the yield on the Offered Bonds to be rebated to the United States. Of the Mortgage Loans originally funded with proceeds of the Offered Bonds, such Mortgage Loan principal prepayments and repayments that are received more than 10 years after the date of issuance of the Offered Bonds or more than 10 years after the issuance of any prior bonds that are refunded from proceeds of the Offered Bonds (or the earliest date in a chain of refundings) must be used to redeem or retire the Offered Bonds, and such amounts may not be recycled into new Mortgage Loan originations. Any original proceeds of the Offered Bonds (or transferred original proceeds of a prior bond refunded by the Offered Bonds) that are deposited into the Acquisition Account must either be used to either: (a) acquire Mortgage Loans within 42 months of the date of issuance of the Offered Bonds (or, as applicable, the date of issuance of the refunded prior bond); or (b) be used to redeem the Offered Bonds by such applicable date. The Code also imposes limitations on the yield of the Mortgage Loans allocable to the Offered Bonds. Housing New Mexico will covenant to take such actions as are necessary to comply with such requirements unless, in the opinion of nationally recognized bond counsel, it is not necessary to comply with such requirements in order to assure the exclusion from gross income for federal income tax purposes of interest on the Offered Bonds.

Premium Bonds. Any Offered Bonds sold at initial public offering prices which are greater than the stated amounts to be paid at maturity constitute “**Premium Bonds**”. An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. A purchaser of a Premium Bond must amortize any premium over the term of such Premium Bond using constant yield principles, based on the purchaser’s yield to maturity (or, in the case of a Premium Bond callable prior to its maturity, by amortizing the premium to the call date, based on the purchaser’s yield to the call date and giving effect to any call premium). As premium is amortized, the amount of amortization offsets a corresponding amount of interest for the period, and the purchaser’s basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser’s basis may be reduced, no federal income tax deduction is allowed. Purchasers of a Premium Bond should consult with their tax advisors with respect to the determination and treatment of amortizable premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Other Tax Consequences. The accrual or receipt of interest on the Offered Bonds may otherwise affect a Bondholder’s federal income tax liability. The extent of these other tax consequences will depend upon the Bondholder’s particular tax status and other items of income or deduction. Bond Counsel expresses no opinion regarding any such consequences.

Purchasers of the Offered Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States of America, and corporations subject to the alternative minimum tax), property and casualty insurance companies, banks, thrifts or other financial institutions or recipients of Social Security or Railroad Retirement benefits, taxpayers otherwise entitled to the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred (or continued) indebtedness to purchase or carry tax-exempt obligations, are advised to consult their tax advisors as to the tax consequences of purchasing or holding the Offered Bonds.

Backup Withholding

An owner of an Offered Bond may be subject to backup withholding at the applicable rate determined by statute with respect to interest paid with respect to the Offered Bonds if such owner fails to provide to any person required to collect such information pursuant to Section 6049 of the Code with such owner's taxpayer identification number, furnishes an incorrect taxpayer identification number, fails to report interest, dividends or other "reportable payments" (as defined in the Code) properly, or, under certain circumstances, fails to provide such persons with a certified statement, under penalty of perjury, that such owner is not subject to backup withholding.

State Tax Matters

In the opinion of Bond Counsel, under existing laws of the State, the Offered Bonds and the income therefrom are free from taxation, except for estate or gift taxes and taxes on transfers. Interest on the Offered Bonds may be subject to state or local income taxes in jurisdictions other than the State under applicable state or local tax laws. Each purchaser of the Offered Bonds should consult a tax advisor with regard to the tax status of the Offered Bonds.

Changes to Federal and State Tax Law

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to under this heading "TAX MATTERS" or adversely affect the market value of the Offered Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Offered Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Offered Bonds or the market value thereof would be impacted thereby. Purchasers of the Offered Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based on existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Offered Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

PROSPECTIVE PURCHASERS OF THE OFFERED BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE OFFERED BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE OFFERED BONDS.

Moneys on deposit in the Related subaccount of the Interest Reserve Account shall at all times be deemed to be a part of the Related subaccount of the Debt Service Reserve Fund. Additional

moneys may be deposited in the Related subaccount of the Debt Service Reserve Fund in accordance with the General Indenture.

On or prior to each Payment Date, the Trustee shall calculate the amount of the Debt Service Reserve Fund Requirement for each Series of Bonds as of the next succeeding Payment Date and shall determine the amount, if any, which would then be in the Related subaccount of the Debt Service Reserve Fund (other than amounts attributable to accrued, but unrealized interest purchased on Investment Obligations) is in excess of such Requirement, shall notify the Authority of such excess amount and shall, unless otherwise instructed by an Authority Request, transfer such excess amount from the Related subaccount of the Debt Service Reserve Fund, other than the Related subaccount of the Interest Reserve Account therein, to the Related subaccount of the Revenue Account; provided, however, that if such excess is attributable to amounts invested in Mortgage Certificates, such excess may, at the option of the Authority, be retained in the Debt Service Reserve Fund.

On the last Business Day prior to each Payment Date or more frequently if required by a Series Indenture, and in each case in conjunction with the transfers, deposits and payments to be made pursuant to the Indenture, the Trustee shall transfer from each subaccount of the Debt Service Reserve Fund (including from the Interest Reserve Account as provided below) to the specified subaccounts of other Funds or Accounts the following amounts, in the following order of priority, the requirements of each such transfer to be satisfied, and the results of such satisfaction being taken into account, before any payment or transfer is made subsequent in priority:

(f) In the event that the amount transferred to any subaccount of the Class III Debt Service Fund pursuant to the Indenture is insufficient to pay the interest and Principal Installments, if any, and other amounts, if any, due on Related Class III Obligations on the next succeeding Payment Date, the Trustee shall transfer from Unrelated subaccounts in the Debt Service Reserve Fund on a proportionate basis or as otherwise directed by Authority Request, first from subaccounts in the Interest Reserve Account, and then if and to the extent necessary from subaccounts in the Debt Service Reserve Fund, to such subaccount of the Class III Debt Service Fund the amount of such insufficiency; provided, however, that no such transfer may result in (A) the amount on deposit in a subaccount of the Debt Service Reserve Fund being reduced to an amount less than any minimum deposit specified in the Related Series Indenture or (B) a failure to meet the Related Class II Asset Requirement.

(h) In the event that the amount transferred to any subaccount of the Class IV Debt Service Fund pursuant to the Indenture is insufficient to pay the interest and Principal Installments, if any, and other amounts, if any, due on Related Class IV Obligations on the next succeeding Payment Date, the Trustee shall transfer from Unrelated subaccounts in the Debt Service Reserve Fund on a proportionate basis or as otherwise directed by Authority Request, first from subaccounts in the Interest Reserve Account, and then if and to the extent necessary from subaccounts in the Debt Service Reserve Fund to such subaccount of the Class IV Debt Service Fund the amount of such insufficiency; provided, however, that no such transfer may result in (A) the amount on deposit in a subaccount of the Debt Service Reserve Fund being reduced to an amount less than any minimum deposit specified in the Related Series Indenture or (B) a failure to meet the Related Class III Asset Requirement.

Each such Authority Request (i) shall certify that it is consistent with the most recently filed Related Cash Flow Statement (which may, if necessary, link the Related Series) and not prohibited by the Related Series Indenture and (ii) shall be accompanied by evidence of the satisfaction of all Asset Requirements of each Class for the Related Series.

In addition, notwithstanding anything contained in the Indenture to the contrary, the Authority may by the delivery of an Authority Request to the Trustee at any time prior to the giving of notice of redemption, instruct the Trustee to transfer moneys on deposit in a subaccount of an Account in the Redemption Fund to a Related or an Unrelated subaccount of the Acquisition Account to be applied as provided in the Indenture. Each such Authority Request shall (i) certify that it is consistent with the most recently filed Cash Flow Statement and not prohibited by any Series Indenture and (ii) shall be accompanied by evidence of the satisfaction of all Asset Requirements for all the Classes of Bonds Outstanding.

(d) All income or interest earned on the Surplus shall remain on deposit therein unless transferred in accordance with paragraphs (b) and (c) above.

Investment of Moneys Held by the Trustee

Moneys in all Funds and Accounts held by the Trustee shall be invested to the fullest extent possible in Investment Obligations, in accordance with directions given to the Trustee in an Authority Request or Certificate; provided that the maturity date or the date on which such Investment Obligations may be redeemed at the option of the holder thereof shall coincide as nearly as practicable with (but in no event later than) the date or dates on which moneys in the Funds or Accounts for which the investments were made will be required for the purposes thereof.

Amounts credited to any Fund or Account may be invested, together with amounts credited to one or more other Funds or Accounts, in the same Investment Obligation or Investment Obligations, provided that each such investment complies in all respects with the provisions of this section as they apply to each Fund or Account for which the joint investment is made, the Trustee maintains separate records for each Fund and Account and such investments are accurately reflected therein and amounts credited to the Rebate Account may be invested together with amounts credited to any other Fund or Account. The maturity date or the date on which Investment Obligations may be redeemed at the option of holder thereof shall coincide as nearly as practicable with (but in no event shall be later than) the date or dates on which moneys in the Funds or Accounts for which the investments were made will be required for the purposes provided in the Indenture.

Except as otherwise specifically provided in the Indenture, the income or interest earned by, or gain to, all Funds and Accounts due to the investment thereof shall be transferred by the Trustee upon receipt thereof to the Related subaccount of the Revenue Account, in accordance with the Indenture except that no such transfer shall be made from, and such income, interest or gain (as described above) shall be retained in, the Debt Service Reserve Fund, unless after giving effect to the transfer the amount therein at least equals the aggregate Debt Service Reserve Fund Requirement.

The Trustee shall make and keep appropriate records identifying all amounts credited to all Funds and Accounts, identifying the respective investment yields provided by the investment of such amounts in Investment Obligations and containing copies of all Authority Requests or certificates filed with the Trustee.

Program Covenants

The Authority covenants in the Indenture that:

(a) It shall use and apply the proceeds of the Bonds and other moneys deposited in the Acquisition Account, to the extent not reasonably required for other Program purposes of the Authority, to make or purchase Mortgage Certificates or Mortgage Loans, and consistent with sound banking practices and principles shall do all such acts and things necessary to receive and collect Revenues and shall diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Authority for the enforcement of all terms, covenants and conditions of Mortgage Loans.

(b) It shall file or cause to be filed with the Trustee a schedule of Mortgage Certificates or Mortgage Loans to be made or purchased by the Trustee or delivered by the Servicer to the Trustee identifying the same by reference to the applicable Servicing Agreement or Authority loan number and the date of each purchase or delivery.

(c) It shall maintain an account for each Mortgage Lender having entered into a Mortgage Purchase Agreement with the Authority and shall record therein a description of each Mortgage Loan purchased from such Mortgage Lender.

(d) The terms of each Purchase Agreement shall be reasonably designed to assure that each Mortgage Loan purchased or financed by the Authority pursuant thereto or serviced thereunder meets applicable requirements, if any, under Section 143 of the Code as in effect or as otherwise applicable with respect to such Mortgage Loan.

(e) It shall enforce diligently and take or cause to be taken all reasonable steps, actions and proceedings necessary for the enforcement of all terms, covenants and conditions of

all Mortgage Certificates and Mortgage Loans consistent with sound banking practices and principles and applicable requirements under Section 143 of the Code, including the prompt payment of all Mortgage Repayments and all other amounts due the Authority thereunder.

Assignment or Disposition of Mortgage Certificates or Mortgage Loans

Following the acquisition of a Mortgage Certificate or Mortgage Loan by the Trustee, the Authority shall not sell, assign, transfer, pledge or otherwise dispose of or encumber any Mortgage Certificate or Mortgage Loan or any of the rights of the Authority with respect to any Mortgage Certificate or Mortgage Loan or arising out of the Mortgage or the other obligations evidencing or securing any Mortgage Certificate or Mortgage Loan except a Mortgage Loan in default, unless the Authority determines that such sale, assignment, transfer or other disposition would not have a material adverse effect on the ability of the Authority to pay the principal of and interest on the Outstanding Bonds and is consistent with the most recently filed Cash Flow Statements. Provided, however, that the Authority may direct the Trustee to sell Related Mortgage Certificates (or assign the Mortgage Certificates to the Authority) at a price, together with other amounts available therefor under the Indenture, at least sufficient to redeem all Related Outstanding Bonds at any time when such Bonds are subject to optional redemption. The proceeds of any such sale or assignment are to be deposited in the Redemption Fund and used to redeem Related Outstanding Bonds. In the event of any such sale the Trustee shall immediately notify each Rating Agency.

The Authority shall not consent or agree to or permit any amendment or modification of the economic terms of any Mortgage Certificate or Mortgage Loan in any manner materially adverse to the interests of the Bondholders, as determined in good faith by Authority Certificate.

Cash Flow Statement

The Authority shall file Cash Flow Statements at such times as may be required pursuant to the provisions of the Indenture. Whenever an event occurring or action to be taken under the Indenture is required to be “consistent with” a Cash Flow Statement, such event or action must be substantially the same as, or within the range of, the events or actions that were projected or assumed by such Cash Flow Statement to occur or be taken. For any Cash Flow Statement delivered after the issuance of the Related Series, the projections or assumptions as to future results of operation of the Program may include the scenarios covered by, and the material assumptions made in connection with, the Cash Flow Statement delivered in connection with the issuance of such Series, if the actual results of operation of the Programs have not materially deviated from such projections or assumptions. Projections and assumptions may include, but are not limited to, the following: (a) the range of Mortgage Certificate or Mortgage Loan terms and the terms of purchase thereof; (b) the maximum assumed delay in receipt of Mortgage Certificate or Mortgage Loan payments after scheduled due dates; (c) the range of rates of prepayment of Mortgage Certificates or Mortgage Loans; (d) the extent to which amounts from the Redemption Fund may or may not be transferred to the Program Fund; (e) the range of periods of time that amounts may be on deposit in Program Fund before transfer to the Redemption Fund; (f) the investment return on amounts invested under the Indenture other than in Mortgage Certificates or Mortgage Loans; and (g) the order of redemption of Bonds.

Creation of Liens

The Authority shall not issue any bonds or other evidences of indebtedness, other than the Bonds and Auxiliary Obligations, secured by a pledge of the Revenues or of the moneys, securities, rights and interests pledged or held or set aside by the Authority or by any Fiduciary under the Indenture and shall

not create or cause to be created, other than by the Indenture, any lien or charge on the Revenues or such moneys, securities, rights or interests; provided, however, that nothing in the Indenture shall prevent the Authority from issuing (i) evidences of indebtedness secured by a pledge of Revenues to be derived after the pledge of the Revenues provided in the Indenture shall be discharged and satisfied as provided in the General Indenture; or (ii) notes, bonds or other obligations of the Authority not secured under the Indenture (including, without limitation, bonds or notes secured by a pledge of amounts to be paid or released to the Authority under the provisions of the Indenture, free and clear of the lien of the Indenture); or (iii) notes or bonds or other obligations which are General Obligations of the Authority under the Act.

Events of Default

Each of the following events is declared an “Event of Default” under the Indenture:

(a) The Authority shall fail to pay any Principal Installment of any Class I Bond when and as the same shall become due and payable, whether at maturity or by call for redemption or otherwise;

(b) The Authority shall fail to pay any installment of interest on any Class I Bond when and as the same shall become due and payable or any Class I Auxiliary Obligation when and as the same shall become due and payable, and such failure shall continue for a period of five days;

(c) The Authority shall fail to pay any Principal Installment or interest on any Class II Bond when and as the same shall become due and payable or any Class II Auxiliary Obligation when and as the same shall become due and payable, provided that sufficient moneys for such payment are available in the Class II Debt Service Fund;

(d) The Authority shall fail to pay any Principal Installment or interest on any Class III Bond when and as the same shall become due and payable or any Class III Auxiliary Obligation when and as the same shall become due and payable, provided that sufficient moneys for such payment are available in the Class III Debt Service Fund;

(e) The Authority shall fail to pay any Principal Installment or interest on any Class IV Bond when and as the same shall become due and payable or any Class IV Auxiliary Obligation when and as the same shall become due and payable, provided that sufficient moneys for such payment are available in the Class IV Debt Service Fund;

(f) The Authority shall fail to perform or observe any other covenant, agreement or condition on its part contained in the Indenture (except the requirement that a Cash Flow Statement satisfy the requirements of clause (b) of the definition thereof and the requirement that the Authority pay amounts to the Trustee from its other revenues, moneys or assets in connection with General Obligations), or in the Bonds and such failure shall continue for a period of 60 days after written notice thereof to the Authority by the Trustee or to the Authority and to the Trustee by the Holders of not less than 10% in Aggregate Principal Amount of the Bonds Outstanding (notwithstanding the exception set forth in the Indenture, in the absence of any such notice to be delivered by the Authority to the Trustee, the Trustee shall not be deemed to have any knowledge of any default or Event of Default); or

(g) The Authority shall file a petition seeking a composition of indebtedness under the federal bankruptcy laws, or under any other applicable law or statute of the United States of America or of the State.

Remedies

Upon the occurrence of an Event of Default, the Trustee may, and (except as provided for in the following paragraph) upon the written request of the Holders of not less than 25% in Aggregate Principal Amount of Outstanding Bonds shall give 30 days' notice in writing to the Authority of its intention to declare the Aggregate Principal Amount of all Bonds Outstanding immediately due and payable. At the end of such 30-day period the Trustee may, and upon such written request of Holders of not less than 25% in Aggregate Principal Amount of Outstanding Bonds shall, by notice in writing to the Authority, declare the Aggregate Principal Amount of all Bonds Outstanding immediately due and payable; and the Aggregate Principal Amount of such Bonds shall become and be immediately due and payable, anything in the Bonds or in the Indenture to the contrary notwithstanding. In such event, there shall be due and payable on the Bonds an amount equal to the total principal amount of all such Bonds, plus all interest which will accrue thereon to the date of payment.

Notwithstanding the preceding paragraph, following a Covenant Default (except for a failure which could adversely affect the exclusion from gross income for federal income tax purposes of interest on any Tax-exempt Bonds), the Trustee shall not declare the Aggregate Principal Amount of all Bonds Outstanding immediately due and payable unless the Trustee is so directed by the written request of Holders of 100% in Aggregate Principal Amount of Outstanding Bonds.

At any time after the Aggregate Principal Amount of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Trustee may annul such declaration and its consequences with respect to any Bonds not then due by their terms if (i) moneys shall have been deposited in the Revenue Fund sufficient to pay all matured installments of interest and principal or Redemption Price (other than principal then due only because of such declaration) of all Outstanding Bonds; (ii) moneys shall have been deposited with the Trustee sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee; (iii) all other amounts then payable by the Authority under the Indenture, including amounts due pursuant to Auxiliary Agreements, shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Trustee (other than a default in the payment of the principal of such Bonds then due only because of such declaration) shall have been remedied to the satisfaction of the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Upon the occurrence and continuance of any Event of Default, the Trustee may, and upon the written request of the Holders of not less than 25% in Aggregate Principal Amount of the Bonds Outstanding, together with indemnification of the Trustee to its satisfaction therefor, shall, proceed forthwith to protect and enforce its rights and the rights of the Bondholders under the Act, the Bonds and the Indenture by such suits, actions or proceedings as the Trustee, being advised by counsel, shall deem expedient.

Regardless of the happening of an Event of Default, the Trustee, if requested in writing by the Holders of not less than 25% in Aggregate Principal Amount of the Bonds then Outstanding, shall, upon being indemnified to its satisfaction therefor, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient (i) to prevent any impairment of the security under the Indenture by any acts which may be unlawful or in violation of the Indenture; or (ii) to preserve or protect the interests of the Bondholders and Auxiliary Agreement Providers, provided that such request is in accordance with law and the provisions of the Indenture and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of the Holders of Bonds not making such request or the interests of the Auxiliary Agreement Providers.

During the continuance of an Event of Default, the Trustee shall apply, or cause the Paying Agent to apply, all moneys and securities held in any Fund or Account (except the Rebate Account, the Bond Purchase Fund, the Short Term Bond Account and, with respect to any Bonds or Auxiliary Obligations that are not General Obligations, any Authority Payment Account) (moneys and securities in the Short Term Bond Account and an Authority Payment Account are to be applied only to the payment of interest and Principal Installments on Bonds and payments on Auxiliary Obligations with respect to which such moneys and securities have been pledged), Revenues, payments and receipts and the income therefrom as follows and in the following order:

- (a) To the payment of the reasonable and proper Fiduciary Fees;
- (b) To the payment of the interest, Principal Installments and other amounts then due and payable on the Class I Obligations, subject to the provisions of the General Indenture; as follows:

- (i) Unless the Aggregate Principal Amount of all of the Class I Bonds shall have become or have been declared due and payable.

First: To the payment to the persons entitled thereto of all installments of interest then due and payable on the Class I Obligations in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid Principal Installments of any Class I Obligations and any other required payment on any Class I Obligations which shall have become due and payable, whether at maturity or by call for redemption, in the order of their due dates, and if the amounts available shall not be sufficient to pay in full all the Class I Obligations due and payable on any date, then to the payment thereof ratably, according to the amounts of Principal Installments due on such date, to the persons entitled thereto, without any discrimination or preference.

- (ii) If the Aggregate Principal Amount of all of the Class I Obligations shall have become or have been declared due and payable, to the payment of the principal, interest and other amounts then due and unpaid upon the Class I Obligations without preference or priority of principal over interest or other amounts or of interest over principal or other amounts, or of other amounts over principal or interest, or of any installment of interest over any other installment of interest, or of any Class I Obligation over any other Class I Obligation, ratably, according to the amounts due respectively for principal and interest or other amounts, to the persons entitled thereto without any discrimination or preference;
 - (c) To the payment of the Principal Installments of and interest and other amounts then due on the Class II Obligations in accordance with the provisions of subsection (ii) above as if such subsection referred to the Class II Obligations rather than the Class I Obligations.
 - (d) To the payment of the Principal Installments of and interest and other amounts then due on the Class III Obligations in accordance with the provisions of subsection (ii) above as if such subsection referred to the Class III Obligations rather than the Class I Obligations.

(e) To the payment of the Principal Installments of and interest and other amounts then due on the Class IV Obligations in accordance with the provisions of subsection (ii) above as if such subsection referred to the Class IV Obligations rather than the Class I Obligations.

(f) To the payment of the amounts required for reasonable and necessary Program Expenses.

No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Indenture or existing at law or in equity or by statute (including the Act) on or after the date of adoption of the Indenture.

Majority Bondholders Control Proceedings

If an Event of Default shall have occurred and be continuing, notwithstanding anything in the Indenture to the contrary, the Holders of at least a majority in Aggregate Principal Amount of Bonds then Outstanding shall have the right, at any time, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of the Indenture or for the appointment of a receiver or to take any other proceedings under the Indenture, provided that such direction is in accordance with law and the provisions (in particular, those relating to the priority of the Class I Obligations over Class II, III and IV Obligations, Class II Obligations over Class III and IV Obligations and Class III Obligations over Class IV Obligations) of the Indenture (including indemnity to the Trustee as provided in Section 9.2 of this General Indenture) and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of Bondholders not joining in such direction and provided further that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action under the Indenture which it may deem proper and which is not inconsistent with such direction by Bondholders.

Individual Bondholder Action Restricted

(a) Except as provided in the General Indenture, no Holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of the Indenture or for the execution of any trust under the Indenture or for any remedy under the Indenture unless: (i) an Event of Default has occurred under subsection (a), (b) or (c) of “Events of Default” of this summary, as to which the Trustee has actual notice, or as to which the Trustee has been notified in writing; and (ii) the Holders of at least 25% in Aggregate Principal Amount of Bonds Outstanding shall have made written request to the Trustee to proceed to exercise the powers granted in the Indenture or to institute such action, suit or proceeding in its own name; and (iii) such Bondholders shall have offered the Trustee indemnity as provided in the General Indenture; and (iv) the Trustee shall have failed or refused to exercise the powers in the Indenture granted or to institute such action, suit or proceedings in its own name for a period of 60 days after receipt by it of such request and offer of indemnity.

(b) No one or more Holders of Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the security of the Indenture or to enforce any right under the Indenture except in the manner in the Indenture provided and for the respective benefit of the Holders of all Bonds Outstanding.

General Obligation Bond Default

If the Authority shall fail to pay interest on any General Obligation Bond when due or shall fail to pay any Principal Installment on any General Obligation Bond at maturity or otherwise provided that such failure shall not constitute an Event of Default under the General Indenture, such failure shall be a “General Obligation Bond Default” under the Indenture. A General Obligation Bond Default shall not constitute an Event of Default under the Indenture and shall not affect the priority of the lien and pledge on Revenues granted to Holders of Bonds or Auxiliary Agreement Providers under the Indenture.

Upon the occurrence of a General Obligation Bond Default, the Trustee may and, upon the written request of the Holders of not less than 25% in Aggregate Principal Amount of Outstanding General Obligation Bonds shall, give 30 days’ notice in writing to the Authority of its intention to declare the Aggregate Principal Amount of all General Obligation Bonds Outstanding immediately due and payable. At the end of such 30-day period the Trustee may, and upon such written request of Holders of not less than 25% in Aggregate Principal Amount of Outstanding General Obligation Bonds shall, by notice in writing to the Authority, declare the Aggregate Principal Amount of all General Obligation Bonds Outstanding immediately due and payable; and the Aggregate Principal Amount of such General Obligation Bonds shall become and be immediately due and payable. In such event, there shall be due and payable on the General Obligation Bonds an amount equal to the total principal amount of all such Bonds, plus all interest which will accrue thereon to the date of payment.

At any time after the Aggregate Principal Amount of the General Obligation Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under the Indenture, the Trustee may annul such declaration and its consequences with respect to any General Obligation Bonds not then due by their terms if (i) moneys shall have been deposited in the General Obligation Debt Service Fund sufficient to pay all matured installments of interest and principal or Redemption Price (other than principal then due only because of such declaration) of all Outstanding General Obligation Bonds; and (ii) moneys shall have been deposited with the Trustee sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee. No such annulment shall extend to or affect any subsequent General Obligation Bond Default or impair any right consequent thereon.

Upon the occurrence and continuance of a General Obligation Bond Default, the Trustee may, and upon the written request of the Holders of not less than 25% in Aggregate Principal Amount of the General Obligation Bonds Outstanding, together with indemnification of the Trustee to its satisfaction therefor, shall, proceed forthwith to protect and enforce the rights of the General Obligation Bondholders under the Act, the General Obligation Bonds and the Indenture by such suits, actions or proceedings as the Trustee, being advised by counsel, shall deem expedient and consistent with the limitations specified in subsection (c) below, including but not limited to: (a) Suit upon all or any part of the General Obligation Bonds; (b) Civil action to enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of General Obligation Bonds; and (c) Enforcement of any other right of the General Obligation Bondholders conferred by law or by the Indenture.

Regardless of the happening of a General Obligation Bond Default, the Trustee, if requested in writing by the Holders of not less than 25% in Aggregate Principal Amount of the General Obligation Bonds then Outstanding, shall, upon being indemnified to its satisfaction therefor, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient (i) to prevent any impairment of the security under the Indenture by any acts which may be unlawful or in violation of the Indenture; or (ii) to preserve or protect the interests of the General Obligation Bondholders, provided that such request is in accordance with law and the provisions of the Indenture and, in the sole judgment of the

Trustee, is not unduly prejudicial to the interests of the Holders of General Obligation Bonds not making such request.

The rights and remedies of Holders of General Obligation Bonds upon the occurrence of a General Obligation Bond Default shall be limited to the enforcement of the Authority's General Obligation covenant with respect thereto and to the disbursement of amounts available to Holders of General Obligation Bonds from time to time in the Related Debt Service Fund, the Related Special Redemption Account and the Related Debt Service Reserve Fund after provision is made for, and after taking into account the rights of, Holders of Bonds and Auxiliary Agreement Providers having a prior lien on Revenues as provided in the Indenture. The exercise of remedies upon the occurrence of a General Obligation Bond Default shall not in any manner affect, disturb or prejudice the security and rights of such Holders of Bonds or such Auxiliary Agreement Providers under the Indenture.

If the Authority shall fail to pay any amount on any Auxiliary Obligation which constitutes a General Obligation when due, provided that such failure shall not also constitute an Event of Default under the General Indenture, such failure shall not constitute an Event of Default under the Indenture and shall not affect the priority of the lien and pledge on Revenues granted to Holders of Bonds or Auxiliary Agreement Providers under the Indenture. The rights and remedies of Auxiliary Agreement Providers having Auxiliary Obligations which constitute General Obligations shall be governed by the Related Auxiliary Agreement; however, such rights and remedies shall be limited to the enforcement of the Authority's General Obligation covenant with respect thereto and to the disbursement of amounts available with respect to Related Auxiliary Obligations from time to time in the Related Debt Service Fund, the Related Special Redemption Account and the Related Debt Service Reserve Fund based on the lien priority of such Auxiliary Obligation after provision is made for, and after taking into account the rights of, Holders of Bonds or Auxiliary Agreement Providers having a prior lien on Revenues as provided in the Indenture and such exercise of remedies upon shall not in any manner affect, disturb or prejudice the security and rights of such Holders of Bonds or such Auxiliary Obligations Providers under the Indenture.

Majority Bondholders Control Proceeding

If a General Obligation Bond Default shall have occurred and be continuing, notwithstanding anything in the Indenture to the contrary, the Holders of at least a majority in Aggregate Principal Amount of General Obligation Bonds then Outstanding shall have the right, at any time, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of the Indenture or to take any other proceedings under the Indenture, provided that such direction is in accordance with law and the provisions (in particular, those relating to the priority of the Class I Obligations over Class II Obligations, Class III Obligations and Class IV Obligations, of the Class II Obligations over Class III Obligations and Class IV Obligations and of the Class III Obligations over Class IV Obligations) of the Indenture (including indemnity to the Trustee as provided in the General Indenture) and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of Bondholders not joining in such direction and provided further that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action under the Indenture which it may deem proper and which is not inconsistent with such direction by Bondholders.

Individual Bondholder Action Restricted

- (a) No Holder of any General Obligation Bond shall have any right to institute any suit, action or proceeding in equity or at law for any remedy under Article VIII of this General Indenture unless: (i) a General Obligation Bond Default has occurred as to which the Trustee has

actual notice, or as to which the Trustee has been notified in writing; and (ii) the Holders of at least 25% in Aggregate Principal Amount of General Obligation Bonds Outstanding shall have made written request to the Trustee to proceed to exercise the powers granted in the General Indenture or to institute such action, suit or proceeding in its own name; and (iii) such Bondholders shall have offered the Trustee indemnity as provided in the General Indenture; and (iv) the Trustee shall have failed or refused to exercise the powers in the Indenture granted or to institute such action, suit or proceedings in its own name for a period of 60 days after receipt by it of such request and offer of indemnity.

(b) No one or more Holders of General Obligation Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the security of the Indenture or to enforce any right under the Indenture except in the manner in the Indenture provided and for the respective benefit of the Holders of all General Obligation Bonds Outstanding.

Modification of Indenture and Outstanding Bonds

For any one or more of the following purposes, and at any time or from time to time, a Supplemental Indenture may be executed and delivered by the Authority which, upon the filing with the Trustee of a copy thereof, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the Authority in the Indenture, other covenants and agreements to be observed by the Authority which are not contrary to or inconsistent with the Indenture as theretofore in effect;

(b) To add to the limitations and restrictions in the Indenture, other limitations and restrictions to be observed by the Authority which are not contrary to or inconsistent with the Indenture as theretofore in effect;

(c) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Indenture of the Revenues or of any other moneys, securities or funds;

(d) To increase the maximum permitted yield to be provided by Mortgage Loans or to change the maximum permitted investment yield to be provided by Investment Obligations credited to any Fund or Account;

(e) To modify any provisions of the Indenture in any respect whatever, provided that the modification, in the sole judgment of the Authority, is reasonably necessary to assure that the interest on Tax-exempt Bonds remains excludable from the gross income of the owners thereof for federal income tax purposes;

(f) To provide for the issuance of Bonds pursuant to the Indenture and to provide for the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;

(g) Subject to the Indenture, to modify any provisions of the Indenture in any respect whatever upon obtaining a written confirmation from each Rating Agency then providing a rating on any Outstanding Bonds that such modification will not result in the lowering or withdrawal of its then current rating, if any, of each issue of affected Outstanding Bonds; or

(h) To provide for the execution and delivery of Auxiliary Agreements.

For any one or more of the following purposes and at any time or from time to time, a Supplemental Indenture may be executed and delivered by the Authority and the Trustee, which upon the filing with the Trustee of a copy thereof and the filing with the Trustee and the Authority of an instrument in writing made by the Trustee consenting thereto, shall be fully effective in accordance with its terms:

- (a) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Indenture;
- (b) To insert such provisions clarifying matters or questions arising under the Indenture as are necessary or desirable and are not contrary to or inconsistent with the Indenture theretofore in effect;
- (c) To provide for additional duties of the Trustee in connection with the Mortgage Loans;
- (d) To waive any right reserved to the Authority, provided that the loss of such right shall not adversely impair the Revenues available to pay the Outstanding Bonds; or
- (e) To make any other amendment or change that will not materially affect the interest of Owners of Outstanding Bonds.

Any modification or amendment of the Indenture and of the rights and obligations of the Authority and of the Bondholders, in any particular, may be made by a Supplemental Indenture, with the written consent given as provided in the General Indenture of the Holders of at least a majority in Aggregate Principal Amount of the Bonds Outstanding at the time such consent is given. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bonds or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holders of all such Bonds, or shall reduce the percentages of Bonds the consent of the Holders of which is required to effect any such modification or amendment without the consent of the Holders of all Bonds then Outstanding or shall change the provisions of the Indenture relating to the ability to declare the Aggregate Principal Amount of Bonds to be due and payable or shall materially adversely affect the rights of the Holders of Class I Bonds without the consent of the Holders of a majority in Aggregate Principal Amount of Class I Bonds Outstanding, or shall materially adversely affect the rights of the Holders of Class II Bonds without the consent of the Holders of a majority in Aggregate Principal Amount of Class II Bonds Outstanding, or shall materially adversely affect the rights of the Holders of Class III Bonds without the consent of the Holders of a majority in Aggregate Principal Amount of Class III Bonds then Outstanding, or shall materially adversely affect the rights of the Holders of Class IV Bonds without the consent of the Holders of a majority in Aggregate Principal Amount of Class IV Bonds then Outstanding; or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto. If any such modification or amendment will, by its terms not take effect so long as any Bonds of any particular maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this section. The Trustee, relying upon a Counsel's Opinion, may determine whether or not in accordance with the foregoing powers of amendment Bonds of any particular maturity would be affected by any modification or amendment of the Indenture, and any such determination shall be binding and conclusive on the Authority and the Bondholders.

Consent of Holders of Bond

The Authority at any time may execute and deliver a Supplemental Indenture making a modification or amendment permitted by the provisions of the General Indenture, to take effect when and as provided in this section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Bond Registrar, shall be mailed by the Authority to the registered owners of the Bonds. Such Supplemental Indenture shall not be effective unless and until (i) there shall have been filed with the Trustee (A) the written consents of Holders of the percentages of Outstanding Bonds specified in the General Indenture and (B) a Counsel's Opinion stating that such Supplemental Indenture has been duly executed and delivered and filed by the Authority in accordance with the provisions of the Indenture, is authorized or permitted by the Indenture, and is valid and binding upon the Authority and enforceable in accordance with its terms, subject to State and federal bankruptcy, insolvency and other similar laws affecting the enforcement of creditors' rights and the availability of equitable remedies and (ii) a notice shall have been mailed to Bondholders as provided in this section. Each consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by the General Indenture. A certificate or certificates by the Bond Registrar filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with the General Indenture shall be conclusive that the consents have been given by the Bondholders described in such certificate or certificates of the Bond Registrar. Any such consent shall be binding upon the Bondholder giving such consent and, anything in the General Indenture to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Bondholder thereof has notice thereof) unless such consent is revoked in writing by the Bondholder thereof by filing with the Bond Registrar, prior to the time when the written statement of the Bond Registrar provided for in this section is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by the General Indenture. The fact that a consent has not been revoked likewise may be proved by a certificate of the Bond Registrar filed with the Trustee to the effect that no revocation thereof is on file with the Bond Registrar. At any time after the Bondholders of the required percentage of Bonds shall have filed their consent to the Supplemental Indenture, the Bond Registrar shall make and file with the Authority and the Trustee a written statement that the Bondholders of such required percentage of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter, notice stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture executed and delivered by the Authority on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentage of Bonds and will be effective as provided in this section, may be given to Bondholders by the Authority by mailing such notice to Bondholders (but failure to mail such notice shall not affect the validity of the Supplemental Indenture when consented to as provided in this section) not more than 90 days after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture and the written statement of the Bond Registrar provided for in this section is filed. The Authority shall file with the Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this section to be filed with the Trustee and the Bond Registrar, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the Authority, the Fiduciaries and the Holders of all Bonds at the expiration of 30 days after the filing with the Trustee of the proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such 30 day period; provided, however, that any Fiduciary and the Authority during such 30 day period and any such further period during which any such action or proceeding may be pending shall be entitled in their

absolute discretion to take such action or to refrain from taking such action, with respect to such Supplemental Indenture as they may deem expedient.

Supplemental Indentures Requiring Consent of Bondholders

At any time or from time to time, the Authority and the Trustee may execute and deliver a Supplemental Indenture subject to consent by the Bondholders in accordance with and subject to the provisions of the General Indenture.

Modifications by Unanimous Consent

The terms and provisions of the Indenture or any Supplemental Indenture and the rights and obligations of the Authority and of the Bondholders may be modified or amended in any respect upon the issuance and filing by the Authority of a Supplemental Indenture and the consent of the Bondholders of all Bonds then Outstanding, such consent to be given as provided in the General Indenture, except that no notice of such consent to Bondholders by mailing shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Bondholders.

Defeasance

If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Bondholders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Indenture and if the Authority shall pay or cause to be paid to all Auxiliary Agreement Providers all amounts due and payable under all Auxiliary Agreements, then the pledge of any Revenues, and other moneys and securities pledged under the Indenture and all covenants, agreements and other obligations of the Authority to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Authority to be prepared and filed with the Authority and, upon the request of the Authority, shall execute and deliver to the Authority all such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiduciaries shall pay over or deliver to or upon the order of the Authority all moneys or securities held by them pursuant to the Indenture that are not required for the payment of principal, or Redemption Price, if applicable, of or interest on Bonds not theretofore surrendered to them for such payment or redemption.

Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee or the Paying Agent (through deposit by the Authority of moneys for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this section. Outstanding Bonds shall be deemed, prior to the maturity or redemption date thereof, to have been paid within the meaning and with the effect expressed in this section if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Bond Registrar in form satisfactory to it irrevocable instructions to mail as provided in the General Indenture notice of redemption of such Bonds on said date; (ii) there shall have been deposited with the Trustee either moneys in an amount sufficient, or Defeasance Obligations the principal of and the interest on which when due (whether at maturity or the prior redemption thereof at the option of the holder thereof) will provide moneys in an amount that, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price of and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (iii) if said Bonds are not by their terms subject to redemption within the next succeeding

60 days, the Authority shall have given to the Bond Registrar in form satisfactory to it irrevocable instructions to mail, as soon as practicable, a notice to the Bondholders of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price of and interest on said Bonds.

APPENDIX B

FORM OF APPROVING OPINION OF BOND COUNSEL

December 19, 2024

New Mexico Mortgage Finance Authority
7425 Jefferson St NE
Albuquerque, New Mexico 87109

NEW MEXICO MORTGAGE FINANCE AUTHORITY
\$70,000,000
Single Family Mortgage Program Class I Bonds
2024 Series G (Tax-Exempt) (Non-AMT)

Ladies and Gentlemen:

We have acted as bond counsel to the New Mexico Mortgage Finance Authority (the “Authority”) in connection with the issuance by the Authority of its Single Family Mortgage Program Class I Bonds, 2024 Series G (Tax-Exempt) (Non-AMT) in the aggregate principal amount of \$70,000,000 (the “Bonds”). The Authority is a public body politic and corporate created by and existing under the Mortgage Finance Authority Act, Sections 58-18-1 through 58-18-27 inclusive, and Section 2-12-5, New Mexico Statutes Annotated 1978, as amended (the “Act”). The Bonds are authorized to be issued under and secured by a General Indenture of Trust dated as of November 1, 2005, as heretofore amended and supplemented, and a 2024 Series G Indenture, dated as of December 1, 2024 (collectively, the “Indenture”) between the Authority and Zions Bancorporation, National Association, as trustee (the “Trustee”). Capitalized terms not otherwise defined herein shall have the meanings set forth in the Indenture.

The Bonds are dated, mature in the years and in the principal amounts, bear interest at the rates, are subject to redemption prior to maturity and are otherwise in the form described in the Indenture.

It is our opinion as bond counsel that:

1. The Authority is a public body politic and corporate duly organized and validly existing under the laws of the State of New Mexico and has lawful authority to issue the Bonds.

2. The Indenture has been duly executed and delivered by, and is a valid and binding obligation of, the Authority. The Indenture creates a valid pledge to secure the payment of the principal of and interest on the Bonds and the Auxiliary Obligations (in the order of priority among classes as set forth therein) of the Revenues and any other amounts (including proceeds of the sale of the Bonds) held by the Trustee in any fund or account established pursuant to the Indenture (except for moneys in any Rebate Account and the Rebate Requirement to be deposited in any Rebate Account and moneys in any Bond Purchase Fund and any Authority Payment Account) and of the rights and interests of the Authority in and to the related Mortgage Certificates, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture.

3. The Bonds constitute the valid and binding special obligations of the Authority, payable solely from the Revenues and other assets pledged therefor under the Indenture, and do not constitute a debt or liability of the State of New Mexico or any political subdivision thereof.

4. Under existing laws, regulations, rulings and judicial decisions, interest on the Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. Interest on the Bonds may affect the federal alternative minimum tax imposed on certain corporations.

5. Under existing laws of the State of New Mexico, the Bonds and the income therefrom are free from taxation except for estate or gift taxes and taxes on transfers.

The Internal Revenue Code of 1986, as amended (the "Code") establishes certain requirements which must be met subsequent to the issuance of the Bonds in order that interest thereon be and remain excludable from gross income for federal income tax purposes. The requirements include provisions that restrict the yield and set forth limitations within which the proceeds of the Bonds are to be invested, including eligibility requirements for mortgages, and require that certain investment earnings be rebated on a periodic basis to the United States Treasury. The Authority has covenanted to comply with such requirements. Failure to comply with such requirements could cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance thereof. The opinions described in paragraph (4) above assume the accuracy of certain representations of and compliance by the Authority with its covenants to satisfy the requirements of the Code. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the owners thereof. The extent of these other tax consequences will depend on such owners' particular tax status and other items of income or deduction. We express no opinion regarding any such consequences.

Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States of America, and corporations subject to the alternative minimum tax), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of social security or railroad retirement benefits, taxpayers entitled to claim the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, should consult their tax advisors as to the tax consequences of purchasing or owning the Bonds.

The obligations of the parties, and the enforceability thereof, with respect to the documents described above are subject to the provisions of the bankruptcy laws of the United States of America and other applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect. Certain of the obligations, and the enforcement thereof, contained in the documents described above are also subject to general principles of equity, which may limit the specific enforcement of certain remedies but which do not affect the validity of such documents.

Certain requirements and procedures contained or referred to in the Indenture and other relevant documents may be changed, and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents, upon the advice or with the approving opinion of nationally recognized bond counsel. No opinion is expressed as to the Bonds or the interest

thereon if any such change occurs or action is taken or omitted upon the advice or approval of counsel other than ourselves.

The scope of our engagement has not extended beyond the examinations and the rendering of the opinions expressed herein. The opinions expressed herein are based upon existing law as of the date hereof, and we express no opinion herein as of any subsequent date or with respect to any pending legislation. Each purchaser of the Bonds should consult his or her own tax advisor as regards any pending or proposed federal tax legislation.

Respectfully submitted,

APPENDIX C

THE GNMA MORTGAGE-BACKED SECURITIES PROGRAM

This summary of the GNMA Mortgage Backed Securities Program, the GNMA Certificates and the documents referred to herein does not purport to be comprehensive and is qualified in its entirety by reference to the GNMA Mortgage Backed Securities Guide published by GNMA and to said documents for full and complete statements of their provisions. The following summary is of the GNMA I Program and the GNMA II Program.

Government National Mortgage Association (“GNMA”) is a wholly-owned corporate instrumentality of the United States within the Department of Housing and Urban Development (“HUD”) with its principal office in Washington, D.C.

To issue GNMA Certificates, the Servicers must first apply to and receive from GNMA the Commitment to Guarantee Mortgage Backed Securities (the “MBS Agreement”). The MBS Agreement authorizes the Servicers to apply to GNMA for the issuance of Mortgage-Backed Securities to be eligible for guaranty by GNMA up to a stated date and issue GNMA Certificates up to a stated amount during a one-year period following the date of the MBS Agreement. Each MBS Agreement is valid for a 12-month period from the date of commitment.

Each GNMA Certificate is to be backed by a mortgage pool consisting of Mortgage Loans in a minimum aggregate amount of \$500,000 (or such lesser amount as may be approved by GNMA). Each GNMA I Certificate will be a “mortgage loan pass-through” certificate which will require the Servicers to pass through to the paying and transfer agent therefor (the “GNMA Paying Agent”) by the fifteenth day of each month (or the sixteenth day, if such day is not a business day, provided that, if neither the fifteenth nor the sixteenth day is a business day, then the first business day prior to the fifteenth day of the month), the regular monthly payments on the Mortgage Loans (less the GNMA Guaranty Fee and the Servicers’ servicing fee, more fully described herein), whether or not the Servicers receive such payments, plus any prepayments of principal of the Mortgage Loans received by the Servicers in the previous month. Each GNMA II Certificate will require the Servicers to pass through to the central paying and transfer agent for the GNMA II Program, by the nineteenth day of each month (or the twentieth day, if such day is not a business day; provided that, if neither the nineteenth nor the twentieth day is a business day, then the first business day prior to the nineteenth day of the month), the regular monthly payments on the Mortgage Loans (less the GNMA Guaranty Fee and the Mortgage Lender’s servicing fee, more fully described herein), whether or not the Servicers received such payments, plus any prepayments on the Mortgage Loan received by the Servicers in the previous month. The GNMA Paying Agent is then required to pass through to the Trustee on or before the third business day following the nineteenth day of each month the scheduled payments received from the Servicers. GNMA guarantees timely payment of principal of and interest with respect to the GNMA Certificate.

GNMA is authorized by Section 306(g) of Title III of the National Housing Act of 1934, as amended (the “Housing Act”), to guarantee the timely payment of the principal of, and interest on, securities that are based on and backed by a pool of mortgage loans insured by FHA under the Housing Act, or guaranteed by RHS under Title V of the Housing Act of 1949, or guaranteed by VA under the Servicemen’s Readjustment Act of 1944, as amended, or Chapter 37 of Title 38, United States Code. Section 306(g) further provides that “the full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty under this subsection.” An opinion, dated December 9, 1969, of an Assistant Attorney General of the United States, states that such guarantees under Section 306(g) of mortgage backed certificates of the type being delivered to the Trustee

on behalf of Housing New Mexico are authorized to be made by GNMA and “would constitute general obligations of the United States backed by its full faith and credit.”

GNMA, upon execution of the GNMA Guaranty appended to the GNMA Certificate, and upon delivery of the GNMA Certificate to the Servicers, will have guaranteed to the Trustee as holder of the GNMA Certificate the timely payment of principal of and interest on the GNMA Certificate. In order to meet its obligations under such guaranty, GNMA, in its corporate capacity under Section 306(d) of Title III of the National Housing Act, may issue its general obligations to the United States Treasury Department in an amount outstanding at any one time sufficient to enable GNMA, with no limitations as to amount, to perform its obligations under its guaranty of the timely payment of the principal of and interest on the GNMA Certificate. The Treasury is authorized to purchase any obligation so issued by GNMA and has indicated in a letter dated February 13, 1970, from the Secretary of the Treasury to the Secretary of HUD that the Treasury will make loans to GNMA, if needed, to implement the aforementioned guaranty.

GNMA is required to warrant to the Trustee as the holder of the GNMA Certificate, that, if it is called upon at any time to make payment on its guaranty of the principal of and interest on the GNMA Certificate, it will, if necessary, in accordance with Section 306(d) of Title III of the National Housing Act, apply to the Treasury Department of the United States for a loan or loans in amounts sufficient to make payments of principal and interest.

The Servicers will be responsible for servicing and otherwise administering the Mortgage Loans in accordance with generally accepted practices of the mortgage banking industry and the GNMA Mortgage Backed Securities Guide (the “Guide”).

The monthly remuneration of the Servicers for their servicing and administrative functions, and the Guaranty Fee charged by GNMA are based on the total aggregate unpaid principal balance of Mortgage Loans outstanding. The GNMA Certificates carry an interest rate that is fixed at .50% below the interest rate on the Mortgage Loans; the Servicers’ servicing fee and the GNMA Guaranty Fee are deducted from payments on the Mortgage Loans before payments are passed through to the holder of the GNMA Certificates.

It is expected that interest and principal payments on the Mortgage Loans received by the Servicers will be the source of payments on the GNMA Certificates. If such payments are less than what is due, the Servicers are obligated to advance their own funds to ensure timely payment of all amounts coming due on the GNMA Certificates. GNMA guarantees such timely payment in the event of the failure of the Servicers to pay an amount equal to the scheduled payments (whether or not made).

The Servicers are required to advise GNMA in advance of any impending default on scheduled payments so that GNMA as guarantor will be able to continue such payments as scheduled on the third business day following the twentieth day of each month. If, however, such payments are not received as scheduled, the Trustee has recourse directly to GNMA.

The GNMA Guaranty Agreement to be entered into by GNMA and the Servicers upon issuance of the GNMA Certificates (the “GNMA Guaranty Agreement”) will provide that, in the event of a default by the Servicers, GNMA will have the right, by letter to the Servicers, to effect and complete the extinguishment of the Servicers’ interest in the Mortgage Loans, and the Mortgage Loans are to thereupon become the absolute property of GNMA, subject only to the unsatisfied rights of the holder of the GNMA Certificate. In such event, the GNMA Guaranty Agreement will provide that GNMA will be the successor in all respects to the Servicers in their capacity under the GNMA Guaranty Agreement and the transaction and arrangements set forth or arranged for therein. At any time, GNMA may enter into an

agreement with an institution approved by GNMA under which such institution undertakes and agrees to assume any part or all of such duties, and no such agreement will detract from or diminish the responsibilities, duties or liabilities of GNMA in its capacity as guarantor.

Payment of principal and interest on the GNMA Certificate is required to be made in monthly installments on or before the third business day following the twentieth of each month commencing the month following the date of issue of the GNMA Certificate.

Each installment on the GNMA Certificate is required to be applied first to interest and then in reduction of the principal balance then outstanding on the GNMA Certificate. Interest is to be paid at the specified rate on the unpaid portion of the principal of the GNMA Certificate. The amount of principal due on the GNMA Certificate is to be in an amount at least equal to the scheduled principal amortization currently due on the Mortgage Loans subject to adjustment by reason of unscheduled recoveries of principal on the Mortgage Loans. In any event, the Servicers are required to pay to the Trustee, as holder of the GNMA Certificate, monthly installments of not less than the interest due on the GNMA Certificate at the rate specified in the GNMA Certificate, together with any scheduled installments of principal, whether or not such interest or principal is collected from the Mortgagor, and any prepayments or early recovery of principal. Final payment is to be made upon surrender of the outstanding GNMA Certificate.

APPENDIX D

THE FANNIE MAE MORTGAGE-BACKED SECURITIES PROGRAM

Mortgage-Backed Securities Program

Federal National Mortgage Association (“Fannie Mae”) is a federally chartered and stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. Section 1716 *et seq.*). Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market, and was transformed into a stockholder-owned and privately managed corporation by legislation enacted in 1968. On September 6, 2008, Director James Lockhart of the Federal Housing Finance Agency (“FHFA”) appointed FHFA as conservator of Fannie Mae. This conservatorship does not have a specified termination date. Housing New Mexico cannot predict the consequences of the conservatorship and the impact it may have on Housing New Mexico’s Single Family Program.

Fannie Mae provides funds to the mortgage market primarily by purchasing mortgage loans from lenders, thereby replenishing their funds for additional lending. Fannie Mae acquires funds to purchase mortgage loans from many capital market investors that may not ordinarily invest in mortgage loans, thereby expanding the total amount of funds available for housing. In addition, Fannie Mae issues mortgage-backed securities primarily in exchange for pools of mortgage loans from lenders.

Although the Secretary of the Treasury of the United States has discretionary authority to purchase obligations of Fannie Mae, neither the United States nor any agency or instrumentality thereof is obligated to finance Fannie Mae’s obligations or assist Fannie Mae in any manner.

Fannie Mae has implemented a mortgage-backed securities program pursuant to which Fannie Mae Issue securities backed by pools of mortgage loans (the “MBS Program”). The obligations of Fannie Mae, including its obligations under the Fannie Mae Certificates, are obligations solely of Fannie Mae and are not backed by, or entitled to, the full faith and credit of the United States.

The terms of the MBS Program are governed by the Fannie Mae Selling and Servicing Guides (the “Fannie Mae Guides”), published by Fannie Mae, as modified by the Pool Purchase Contract (defined below), and, in the case of mortgage loans such as the Mortgage Loans exchanged with Fannie Mae, a Trust Indenture dated as of November 1, 1981, as amended (the “Trust Indenture”), and a supplement thereto to be issued by Fannie Mae in connection with each pool. The MBS Program is further described in a prospectus issued by Fannie Mae (the “Fannie Mae Prospectus”), which is updated from time to time.

Copies of the Fannie Mae Prospectus are available from Investor Relations, Fannie Mae, 3900 Wisconsin Avenue, NW, Washington, D.C. 20016 (telephone: (800) 237-8627). Information on Fannie Mae and its financial condition is contained in Fannie Mae’s most current annual report on Form 10-K, quarterly reports on Form 10-Q and current reports on Form 8-K that are filed with the SEC. The SEC filings are available at the SEC’s website at www.sec.gov. The periodic reports filed by Fannie Mae with the SEC are also available on Fannie Mae’s website at www.fanniemae.com. Housing New Mexico takes no responsibility for information contained on the websites.

The summary of the MBS Program set forth herein does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae Guides, the Fannie Mae Prospectus and the other documents referred to herein.

Pool Purchase Contract

It is expected that Fannie Mae and the Servicers will enter into a Pool Purchase Contract, pursuant to which the Servicers will be permitted to deliver, and Fannie Mae will agree to purchase Mortgage Loans in exchange for Fannie Mae Securities. The purpose of the Pool Purchase Contract is to provide for certain additions, deletions and changes to the Fannie Mae Guides relating to the purchase of Mortgage Loans. In the event of a conflict between the Pool Purchase Contract and the Fannie Mae Guides, the Pool Purchase Contract will control. The description set forth below assumes that the Pool Purchase Contract will be executed substantially in the form presented by Fannie Mae to the Servicers as of the date hereof.

Under the Pool Purchase Contract, Fannie Mae will purchase both Mortgage Loans eligible under the guidelines set forth in the Fannie Mae Guides and Mortgage Loans insured under the Community Home Buyer's Program which conform to the conditions set forth in the Pool Purchase Contract. The Pool Purchase Contract obligates the Servicers to service the Mortgage Loans in accordance with the requirements of the Fannie Mae Guides and the Pool Purchase Contract.

Fannie Mae Certificates

Each Fannie Mae Certificate issued on or after June 3, 2019 will be a Uniform Mortgage Backed Security ("UMBS"). Each Fannie Mae Certificate will represent the entire interest in a specified pool of Mortgage Loans purchased by Fannie Mae from the Servicers and identified in records maintained by Fannie Mae.

Fannie Mae will guarantee to the registered holder of the Fannie Mae Certificates that it will distribute amounts representing scheduled principal and interest at the applicable "pass-through rate" on the Mortgage Loans in the pools represented by such Fannie Mae Certificates, whether or not received, and the full principal balance of any foreclosed or other finally liquidated Mortgage Loan, whether or not such principal balance is actually received. The obligations of Fannie Mae under such guarantees are obligations solely of Fannie Mae and are not backed by, nor entitled to, the faith and credit of the United States. If Fannie Mae were unable to satisfy such obligations, distributions to the Trustee, as the holder of Fannie Mae Certificates would consist solely of payments and other recoveries on the underlying Mortgage Loans and, accordingly, monthly distributions to the Trustee, as the holder of Fannie Mae Certificates and payments on the Bonds, would be affected by delinquent payments and defaults on such Mortgage Loans.

Payments on 2024 Series G First Home Loans; Distributions on Fannie Mae Certificates

Payments on a Fannie Mae Certificate will be made on the 25th day of each month (beginning with the month following the month such Fannie Mae Certificate is issued), or, if such 25th day is not a business day, on the first business day next succeeding such 25th day. With respect to each Fannie Mae Certificate, Fannie Mae will distribute to the Trustee an amount equal to the total of (i) the principal due on the Mortgage Loans in the related pool underlying such Fannie Mae Certificate during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of any Mortgage Loan that was prepaid in full during the second month next preceding the month of such distribution (including as prepaid for this purpose at Fannie Mae's election any Mortgage Loan after it is delinquent, in whole or in part, with respect to four consecutive installments of principal and interest; or because of Fannie Mae's election to repurchase such Mortgage Loan under certain other circumstances as permitted by the Trust Indenture) (iii) the amount of any partial prepayment of a Mortgage Loan received in the second month

next preceding the month of distribution, and (iv) one month's interest at the pass-through rate on the principal balance of the Fannie Mae Certificate as reported to the Trustee (assuming the Trustee is the registered holder) in connection with the previous distribution (or, respecting the first distribution, the principal balance of the Fannie Mae Certificate on its issue date).

For purposes of distribution, a Mortgage Loan will be considered to have been prepaid in full if, in Fannie Mae's reasonable judgment, the full amount finally recoverable on account of such Mortgage Loan has been received, whether or not such full amount is equal to the stated principal balance of the Mortgage Loan. Fannie Mae may, in its discretion, include with any distribution principal prepayments, both full and partial, received during the month prior to the month of distribution but is under no obligation to do so.

THE FREDDIE MAC MORTGAGE-BACKED SECURITIES PROGRAM

General

The following summary of the Freddie Mac Guarantor Program, the Freddie Mac Certificates and Freddie Mac's mortgage purchase and servicing standards does not purport to be complete and is qualified in its entirety by reference to Freddie Mac's Mortgage Participation Certificates Offering Circular, any applicable Offering Circular Supplements, Freddie Mac's Information Statement, any Information Statement Supplements and any other documents made available by Freddie Mac. Copies of these documents can be obtained by writing or calling Freddie Mac's Investor Inquiry Department at 8200 Jones Branch Drive, McLean, Virginia 22102 (800-336-FMPC). Housing New Mexico does not and will not participate in the preparation of Freddie Mac's Mortgage Participation Certificates Offering Circular, Information Statement or Supplements. On September 6, 2008, Director James Lockhart of the Federal Housing Finance Agency ("FHFA") appointed FHFA as conservator of Freddie Mac. Housing New Mexico cannot predict the consequences of the conservatorship and the impact it may have on Housing New Mexico's Single Family Program.

Information on Freddie Mac and its financial condition is contained in Freddie Mac's most current annual report on Form 10-K, quarterly reports on Form 10-Q and current reports on Form 8-K that are filed with the SEC. The SEC filings are available at the SEC's website at www.sec.gov. The periodic reports filed by Freddie Mac with the SEC are also available on Freddie Mac's website at www.freddiemac.com. Housing New Mexico takes no responsibility for information contained on the websites.

Freddie Mac

The Federal Home Loan Mortgage Corporation ("Freddie Mac") is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended (the "Freddie Mac Act"). Freddie Mac's statutory mission is (i) to provide stability in the secondary market for residential mortgages, (ii) to respond appropriately to the private capital market, (iii) to provide ongoing assistance to the secondary market for residential mortgages (including activities relating to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return earned on other activities) and (iv) to promote access to mortgage credit throughout the United States (including central cities, rural areas and underserved areas) by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage financing. Neither the United States nor any agency or instrumentality of the United States is obligated, either directly or indirectly, to fund the mortgage purchase or financing activities of Freddie Mac.

Freddie Mac Guarantor Program

Freddie Mac has established a mortgage purchase program pursuant to which Freddie Mac purchases a group of mortgages from a single seller in exchange for a Freddie Mac Certificate representing an undivided interest in a pool consisting of the same mortgages (the "Guarantor Program"). Freddie Mac approves the institutions that may sell and service mortgages under the Guarantor Program on an individual basis after consideration of factors such as financial condition, operational capability and mortgage origination and/or servicing experience. Most sellers and services are HUD-approved mortgagees or FDIC-insured financial institutions.

Freddie Mac Certificates

Each Freddie Mac Certificate issued on or after June 3, 2019 will be a Uniform Mortgage-Backed Security (“UMBS”). Freddie Mac Certificates will be mortgage pass-through securities issued and guaranteed by Freddie Mac under its Guarantor Program. Freddie Mac Certificates are issued only in book-entry form through the Federal Reserve Banks’ book-entry system. Each Freddie Mac Certificate represents an undivided interest in a pool of mortgages. Payments by borrowers on the mortgages in the pool are passed through monthly by Freddie Mac to record holders of the Freddie Mac Certificates representing interests in that pool.

Payments on Freddie Mac Certificates begin on or about the fifteenth day of the first month following issuance. Each month, Freddie Mac passes through to record holders of Freddie Mac Certificates their proportionate share of principal payments on the mortgages in the related pool and one month’s interest at the applicable pass-through rate. The pass-through rate for a Freddie Mac Certificate is determined by subtracting from the lowest interest rate on any of the mortgages in the pool the applicable servicing fee and Freddie Mac’s management and guarantee fee, if any. The interest rates on the mortgages in a pool formed under Freddie Mac’s Guarantor Program must fall within a range from the pass-through rate on the Freddie Mac Certificates plus the minimum servicing fee through the pass-through rate plus 250 basis points.

Freddie Mac guarantees to each record holder of a Freddie Mac Certificate the timely payment of interest at the applicable pass-through rate on the principal balance of the holder’s Freddie Mac Certificate. Freddie Mac also guarantees to each holder of a Freddie Mac Certificate (i) the timely payment of the holder’s proportionate share of monthly principal due on the related mortgages, as calculated by Freddie Mac, and (ii) the ultimate collection of the holder’s proportionate share of all principal of the related mortgages, without offset or reduction, no later than the payment date that occurs in the month by which the last monthly payment on the Freddie Mac Certificate is scheduled to be made.

Freddie Mac may pay the amount due on account of its guarantee of ultimate collection of principal on a mortgage at any time after default, but not later than 30 days following (i) the foreclosure sale of the mortgaged property, (ii) if applicable, the payment of an insurance or guaranty claim by the mortgage insurer or guarantor or (iii) the expiration of any right of redemption that the borrower may have, whichever is the last to occur. In no event, however, will Freddie Mac make payments on account of this guarantee later than one year after an outstanding demand has been made on the borrower for accelerated payment of principal or for payment of the principal due at maturity.

The obligations of Freddie Mac under its guarantees of the Freddie Mac Certificates are obligations of Freddie Mac only. The Freddie Mac Certificates, including the interest thereon, are not guaranteed by the United States and do not constitute debts or obligations of the United States or any agency or instrumentality of the United States other than Freddie Mac. If Freddie Mac were unable to satisfy its obligations under its guarantees, distributions on the Freddie Mac Certificates would consist solely of payment and other recoveries on the related mortgage; accordingly, delinquencies and defaults on the mortgages would affect distributions on the Freddie Mac Certificates and could adversely affect payments on the Bonds.

Mortgage Purchase and Servicing Standards

All mortgages purchased by Freddie Mac must meet certain standards established by the Freddie Mac Act. In addition, Freddie Mac has established its own set of mortgage purchase standards, including credit, appraisal and underwriting guidelines. These guidelines are designed to determine the value of the real property securing a mortgage and the creditworthiness of the borrower. Freddie Mac’s

administration of its guidelines may vary based on its evaluation of and experience with the seller of the mortgages, the loan-to value ratio and age of the mortgages, the type of property securing the mortgages and other factors.

Freddie Mac has also established servicing policies and procedures to support the efficient and uniform servicing of the mortgages it purchases. Each servicer must perform diligently all services and duties customary to the servicing of mortgages in a manner consistent with prudent servicing standards. The duties performed by a servicer include collection and remittance of principal and interest to Freddie Mac; administration of escrow accounts; collection of insurance of guaranty claims; property inspections; and, if necessary, foreclosure. Freddie Mac monitors services' performance through periodic and special reports and inspections.

In the event of an existing or impending delinquency or other default on a mortgage, Freddie Mac may attempt to resolve the default through a variety of measures. In determining which measures to pursue with respect to a given mortgage and when to initiate such measures, Freddie Mac seeks to minimize the costs that may be incurred in servicing the mortgage, as well as Freddie Mac's possible exposure under its guarantees. However, the measures that Freddie Mac may choose to pursue to resolve a default will not affect Freddie Mac's guarantees. In any event, Freddie Mac generally repurchases from a pool any mortgage that has remained delinquent for at least 120 consecutive days and makes payment of principal to record holders pursuant to Freddie Mac's guarantee of ultimate collection of principal.

(DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond certificate will be issued for each issue of the Offered Bonds, each in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the “Indirect Participants”). DTC has a rating of AA+ from S&P Global Ratings, a Standard & Poor’s Financial Services LLC business. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Offered Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Offered Bonds on DTC’s records. The ownership interest of each actual purchaser of each Offered Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Offered Bonds are to be accomplished by entries made on the books of Direct

and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Offered Bonds, except if the use of the book-entry system for the Offered Bonds is discontinued.

To facilitate subsequent transfers, all Offered Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Offered Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Offered Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Offered Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Offered Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Offered Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Offered Bond documents. For example, Beneficial Owners of the Offered Bonds may wish to ascertain that the nominee holding the Offered Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Offered Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Offered Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Housing New Mexico as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Offered Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal payments and interest payments on the Offered Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC, by Zions Bancorporation, National Association (the "Paying Agent" and the "Bond Registrar"). DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from Housing New Mexico or the Paying Agent on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, the Paying Agent or Housing New Mexico, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, principal payments and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Housing New Mexico or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Offered Bonds at any time by giving reasonable notice to Housing New Mexico or the Paying Agent. Under such circumstances, if a successor securities depository is not obtained, bond certificates are required to be printed and delivered.

Housing New Mexico may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Housing New Mexico believes to be reliable, but Housing New Mexico takes no responsibility for the accuracy thereof.

SECTION 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Authority and the Trustee may amend this Disclosure Agreement (and the Trustee shall not unreasonably withhold its consent to any amendment so requested by the Authority), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Authority shall describe such amendment in the next Annual Bond Disclosure Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type, or in the case of a change of accounting principles, on the presentation of financial information or operating data being presented by the Authority. If the Authority chooses to include any information in any Annual Bond Disclosure Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Authority shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Bond Disclosure Report or notice of occurrence of a Listed Event.

A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Authority or the Trustee to comply with this Disclosure Agreement shall be an action to compel performance.

SECTION 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. Article VIII of the Indenture is hereby made applicable to this Disclosure Agreement as if this Disclosure Agreement were (solely for this purpose) contained in the Indenture. The Dissemination Agent (if other than the Trustee or the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Disclosure Agreement, and the Authority agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Authority under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

SECTION 12. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Authority, the Trustee, the Dissemination Agent, the Participating Underwriters and Holders and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

SECTION 13. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.
