B. SUMMARY DECISION ON THE UNIT

For each item, check one box only. In the space to the right of the description of the item, if the decision on the item is: "Fail" write what repairs are necessary; If "Inconclusive" write in details. Also, if "Pass" but there are some conditions present that need to be addressed, write these in the space to the right.

- ◆ **Fail** - If there are any checks under the column headed "Fail" the unit fails the minimum housing quality standards. Discuss with the owner the repairs noted that would be necessary to bring the unit up to the standard.
- ◆ **Inconclusive** - If there are no checks under the column headed "Fail" and there are checks under the column headed "Inconclusive," obtain additional information necessary for a decision. Once additional information is obtained, change the rating for the item and record the date of verification at the far right of the form.
- ◆ **Pass** - If neither Fail or Inconclusive is checked, the unit passes the minimum housing quality standards. Any additional conditions described in the right hand column of the form should serve to (a) establish the precondition of the unit, (b) indicate possible additional areas to negotiate with the owner, (c) aid in assessing the reasonableness of the rent of the unit, and (d) aid the tenant in deciding among possible units to be rented. The tenant is responsible for deciding whether he or she finds these conditions acceptable.
